

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Ha
DOCKET NO.: 22-00897.001-R-1
PARCEL NO.: 15-29-403-030

The parties of record before the Property Tax Appeal Board are Michael Ha, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,783
IMPR.: \$116,118
TOTAL: \$145,901

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,340 square feet of living area. The dwelling was constructed in 1979 and is approximately 43 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a garage with 440 square feet of building area. The property has a 7,200 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within 0.53 of a mile from the subject property. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 1,855 to 2,496 square feet of living area. The dwellings are from 43 to 47 years old. Each comparable has a basement with one having finished area, central air conditioning and a garage with either 440 or 462 square feet of building area. Two comparables each

have one fireplace. The comparables have improvement assessments ranging from \$73,948 to \$98,253 or from \$39.24 to \$39.86 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$92,313 or \$39.45 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$145,901. The subject property has an improvement assessment of \$116,118 or \$49.62 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables that have the same assessment neighborhood code as the subject and are located within 0.41 of a mile from the subject property. The comparables are improved with 2-story dwellings of wood siding exterior construction that range in size from 2,264 to 2,496 square feet of living area. The dwellings were built from 1979 to 1982 with comparable #1 having an effective age of 1981. Each comparable has a basement with two having finished area, central air conditioning, one fireplace and a garage ranging in size from 400 to 528 square feet of building area. The comparables have improvement assessments ranging from \$119,748 to \$125,403 or from \$49.23 to \$54.75 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gave less weight to the appellant's comparables #2 and #4 along with board of review comparables #1 and #5 which differ from the subject in dwelling size or have finished basement area, when compared to subject that has an unfinished basement.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are relatively similar to the subject in location, design, age, dwelling size and most features. These five comparables have improvement assessments that range from \$92,127 to \$125,403 or from \$39.24 to \$54.75 per square foot of living area. The subject property has an improvement assessment of \$116,118 or \$49.62 per square foot of living area falls within the range established by the best comparables contained in this record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
