

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Croke  
DOCKET NO.: 22-00958.001-R-1  
PARCEL NO.: 15-20-408-039

The parties of record before the Property Tax Appeal Board are Thomas Croke, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$38,454  
**IMPR.:** \$139,513  
**TOTAL:** \$177,967

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,900 square feet of living area. The dwelling was constructed in 1991 and is approximately 31 years old. Features of the home include a basement, central air conditioning, a fireplace and a 671 square foot garage. The property has an approximately 15,856 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,839 to 3,468 square feet of living area. The dwellings are 31 or 32 years old and have basements, one with finished area. Each comparable has central air conditioning, one fireplace

and a garage ranging in size from 440 to 736 square feet of building area. The comparables have improvement assessments that range from \$112,330 to \$140,705 or from \$39.57 to \$42.43 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$177,967. The subject property has an improvement assessment of \$139,513 or \$48.11 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of frame or brick and frame exterior construction that have either 2,839 or 2,900 square feet of living area. The dwellings were built in 1990 and have basements, one with finished area. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 516 to 700 square feet of building area. The comparables have improvement assessments that range from \$139,360 to \$142,192 or from \$48.55 to \$49.09 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration that are similar to the subject in location, design and age. The Board gives less weight to the appellant's comparables #1 and #3 as well as board of review comparable #5 due to differences in dwelling size and/or have finished basement area when compared to the subject. The Board gives less weight to appellant's comparable #2 as it appears to be an outlier due to its lower improvement assessment when compared to the other comparables in the record that are most similar to the subject in dwelling size.

The Board finds the best evidence of assessment equity to be appellant's comparable #4 as well as board of review comparables #1 through #4 which are most similar to the subject in dwelling size and have unfinished basements. These comparables have improvement assessments that range from \$123,056 to \$140,885 or from \$42.43 to \$49.09 per square foot of living area. The subject's improvement assessment of \$139,513 or \$48.11 per square foot of living area falls within the range established by the best comparables in the record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
