

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wei Guo  
DOCKET NO.: 22-00963.001-R-1  
PARCEL NO.: 15-18-104-004

The parties of record before the Property Tax Appeal Board are Wei Guo, the appellant by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$45,641  
**IMPR.:** \$201,886  
**TOTAL:** \$247,527

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of wood siding exterior construction with 4,600 square feet of living area. The dwelling was constructed in 2001 and is approximately 21 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 690 square foot garage. The property has a 23,958 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of wood siding or brick exterior construction ranging in size from 3,797 to 4,642 square feet of living area. The dwellings are 21 to 23 years old and have basements with finished area. Each comparable has central air conditioning, one or two

fireplaces and a garage ranging in size from 668 to 968 square feet of building area. The comparables have improvement assessments that range from \$144,918 to \$172,972 or from \$37.03 to \$38.17 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$247,527. The subject property has an improvement assessment of \$201,886 or \$43.89 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five comparables with the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of frame exterior construction that range in size from 4,469 to 4,502 square feet of living area. The dwellings were built from 2000 to 2005 and have basements, three with finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 694 to 852 square feet of building area. Comparables #1 and #3 each have an inground swimming pool. The comparables have improvement assessments that range from \$197,831 to \$207,294 or from \$44.07 to \$46.29 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to appellant's comparable #1 due to its considerably smaller dwelling when compared to the subject. The Board gives less weight to board of review comparables #1 and #3 which have inground swimming pools unlike the subject.

The Board finds the best evidence of assessment equity to be appellant's comparable #1, #2 and #3 as well as board of review comparables #2, #4 and #5 which overall are more similar to the subject in location, age, dwelling size, design and most features. These comparables have improvement assessments that range from \$159,157 to \$207,294 or from \$37.03 to \$46.29 per square foot of living area. The subject's improvement assessment of \$201,886 or \$43.89 per square foot of living area falls within the range established by the best comparables in the record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's improvement assessment is supported. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
