

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Earl Bender  
DOCKET NO.: 22-00995.001-R-1  
PARCEL NO.: 15-17-403-005

The parties of record before the Property Tax Appeal Board are Earl Bender, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$37,789  
**IMPR.:** \$134,008  
**TOTAL:** \$171,797

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 2,885 square feet of living area. The dwelling was constructed in 1989 and is approximately 33 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, a 483 square foot garage and a shed. The property has an approximately 10,012<sup>1</sup> square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located from .61 to .83 of a mile from the subject. The comparables are improved with two-story dwellings of wood siding exterior construction ranging in size from 2,891 to 3,384 square feet of

living area. The dwellings are 30 to 33 years old. Each comparable has a basement with finished area, central air conditioning, one or two fireplaces and a garage ranging in size from 441 to 765 square feet of building area. Comparable #1 has a gazebo. The comparables have improvement assessments ranging from \$113,569 to \$120,562 or from \$35.63 to \$41.37 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$111,505 or \$38.65 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$171,797. The subject property has an improvement assessment of \$134,008 or \$46.45 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables that have the same assessment neighborhood code as the subject and are located from .12 to .88 of a mile from the subject property. The comparables are improved with two-story dwellings of frame exterior construction containing 2,885 or 2,901 square feet of living area. The dwellings were built in 1989 or 1990. Each comparable has a basement with finished area, central air conditioning and a garage with either 483 or 693 square feet of building area. Two comparables each have a fireplace and comparable #2 has an inground swimming pool. The comparables have improvement assessments ranging from \$135,153 to \$140,082 or from \$46.63 to \$48.56 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #2 due to its larger dwelling size, when compared to the subject. The Board has given reduced weight to board of review comparable #2 which has an inground swimming pool, unlike the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #3 and #4, along with board of review comparables #1 and #3, which are similar to the subject in location and similar, if not identical to the subject dwelling size, design, age and some features. The comparables have improvement assessments that range from \$113,569 to \$135,263 or from \$37.87 to \$46.85 per square foot of living area. The subject's improvement assessment of \$134,008 or \$46.45 per square foot of living area falls within the range established by the best

comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
