

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andreas Seidler  
DOCKET NO.: 22-00996.001-R-1  
PARCEL NO.: 15-16-304-039

The parties of record before the Property Tax Appeal Board are Andreas Seidler, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$50,688  
**IMPR.:** \$158,658  
**TOTAL:** \$209,346

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,453 square feet of living area. The dwelling was constructed in 1991 and is approximately 31 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 672 square foot garage. The property has a 16,720 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located within .68 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 3,392 to 3,530 square feet of living area. The dwellings are 31 to 34 years old and have basements with finished area. Each comparable has

central air conditioning, one fireplace and a garage ranging in size from 405 to 703 square feet of building area. The comparables have improvement assessments that range from \$108,780 to \$126,381 or from \$31.95 to \$35.88 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$209,346. The subject property has an improvement assessment of \$158,658 or \$45.95 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five comparables with the same assessment neighborhood code as the subject and located within .70 of a mile from the subject. The comparables are improved with 2-story dwellings of frame or brick exterior construction that range in size from 3,378 to 3,558 square feet of living area. The dwellings were built from 1989 to 1999 and have basements, four with finished area. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 405 to 781 square feet of building area. Comparable #1 has a gazebo and comparable #2 has an inground swimming pool. The comparables have improvement assessments that range from \$153,522 to \$188,010 or from \$45.25 to \$52.84 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to board of review comparable #2 which has an inground swimming pool, a feature the subject lacks and to board of review comparable #4 which has an unfinished basement when compared to the subject's finished basement.

The Board finds the best evidence of assessment equity to be the appellant's comparables and board of review comparables #1, #3 and #5 which overall are more similar to the subject in location, design, dwelling size, age and features. These comparables have improvement assessments ranging from \$108,780 to \$160,924 or from \$31.95 to \$46.04 per square foot of living area. The subject's improvement assessment of \$158,658 or \$45.95 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
