

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Hill
DOCKET NO.: 22-01026.001-R-1
PARCEL NO.: 15-13-305-014

The parties of record before the Property Tax Appeal Board are Thomas Hill, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,882
IMPR.: \$146,701
TOTAL: \$209,583

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,312 square feet of living area. The dwelling was built in 1971 and is approximately 51 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 594 square foot garage. The property has an approximately 19,602 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity regarding the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and from 0.18 of a mile to 1.09 miles from the subject. The comparables are improved with 2-story homes of frame or brick and frame exterior construction ranging in size from 2,949 to 3,686 square feet of living area. The dwellings were built from 1963 to 1977 with effective ages ranging from

1966 to 1979. The comparables each have a basement with four having finished area and one of these being a walkout. Each comparable has central air conditioning, one fireplace, and a garage that ranges in size from 483 to 842 square feet of building area. The comparables have improvement assessments ranging from \$91,010 to \$119,175 or from \$32.16 to \$33.32 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$108,289 or \$32.70 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$209,583. The subject property has an improvement assessment of \$146,701 or \$44.29 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and within 0.72 of a mile from the subject. The comparables are improved with 2-story homes of brick or brick and frame exterior construction ranging in size from 3,208 to 3,361 square feet of living area. The dwellings were built from 1969 to 1977 with effective ages ranging from 1973 to 1979. The comparables each have a basement with four having finished area. Each comparable has central air conditioning, one or two fireplaces, and a garage that ranges in size from 506 to 1,015 square feet of building area. The comparables have improvement assessments ranging from \$142,656 to \$149,965 or from \$44.39 to \$44.63 per square foot of living area. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten equity comparables for the Board's consideration. The Board gives diminished weight to the appellant's comparables #1, #2, #4, and #5 as well as board of review comparables #2 through #5 due to their finished basement area when compared to the subject. Further, the appellant's comparable #1 has a smaller dwelling and is located over one mile from the subject and thus is less proximate in location to the subject than other comparables in this record.

The Board finds the best evidence of assessment equity to be the appellant's comparable #3 and board of review comparable #1 which are more similar to the subject in location, design, age, dwelling size, and features. These two comparables have improvement assessments of \$99,740 and \$148,025 or of \$32.80 and \$44.63 per square foot of living area, respectively. The subject's improvement assessment of \$146,701 or \$44.29 per square foot of living area is bracketed by the two best comparables in this record. Based on this record, the Board finds the appellant did not

demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
