

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Milos Coric  
DOCKET NO.: 22-01030.001-R-1  
PARCEL NO.: 15-13-308-003

The parties of record before the Property Tax Appeal Board are Milos Coric, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$66,192  
**IMPR.:** \$93,364  
**TOTAL:** \$159,556

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding and brick exterior construction with 2,462 square feet of living area. The dwelling was constructed in 1972 and is approximately 50 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 462 square foot garage. The property has an approximately 19,602 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject and within 0.31 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,376 to 2,883 square feet of living area. The dwellings range in age from 51 to 58 years old. The comparables each have a basement with one

having finished area. Each comparable has central air conditioning, one fireplace, and a garage that ranges in size from 462 to 484 square feet of building area. The comparables have improvement assessments ranging from \$69,645 to \$78,197 or from \$26.15 to \$30.88 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$71,970 or \$29.23 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,556. The subject property has an improvement assessment of \$93,364 or \$37.92 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and within 0.87 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,582 to 2,610 square feet of living area. The dwellings were built from 1967 to 1971 and thus would range in age from 51 to 55 years old. The comparables each have a basement with two having finished area. Each comparable has central air conditioning, one or two fireplaces, and a garage that ranges in size from 506 to 600 square feet of building area. The comparables have improvement assessments ranging from \$108,331 to \$114,184 or from \$41.96 to \$43.85 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and no reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to appellant's comparables #3 and #4 as well as board of review comparable #2 and #3 which differ from the subject in dwelling size and/or have basement finish, unlike the subject.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size and features. These five properties have improvement assessments ranging from \$69,645 to \$111,112 or from \$29.31 to \$42.57 per square foot of living area. The subject's improvement assessment of \$93,364 or \$37.92 per square foot of living area falls within the range established by the best comparables in the record. Based on this evidence and after consideration of adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
