

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Polakow  
DOCKET NO.: 22-01100.001-R-1  
PARCEL NO.: 16-34-209-015

The parties of record before the Property Tax Appeal Board are Peter Polakow, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$47,465  
**IMPR.:** \$65,066  
**TOTAL:** \$112,531

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of brick exterior construction with 1,311 square feet of living area. The dwelling was constructed in 1956 and is approximately 66 years old. Features of the home include a basement with finished area, central air conditioning and a garage with 572 square feet of building area. The property has a site with approximately 9,090 square feet of land area and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located in the same assessment neighborhood as the subject and within .4 of a mile from the subject property. The appellant reported that the comparables are improved with 1-story dwellings of brick exterior construction that range in size from 1,311 to 1,966 square feet of living area. The dwellings range in age from 66 to 72 years old. Each comparable has a basement with finished area, central air conditioning and a garage ranging in size from 299 to 550 square feet of building area. Two comparables each have one fireplace. The comparables have improvement

assessments that range from \$54,168 to \$85,122 or from \$38.83 to \$43.65 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$55,455 or \$42.30 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$112,531. The subject property has an improvement assessment of \$65,066 or \$49.63 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables located in the same assessment neighborhood as the subject and within .1 of a mile from the subject property. The comparables are improved with 1-story dwellings of brick or brick and wood siding exterior construction that range in size from 1,311 to 1,380 square feet of living area. The dwellings were built in 1955 and 1956, with comparables #2 and #5 having effective ages of 1975 and 1976, respectively. Each comparable has a basement, four with finished area, central air conditioning and a garage ranging in size from 400 to 576 square feet of building area. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$65,834 to \$78,990 or from \$49.85 to \$57.24 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted a total of nine comparable properties for the Board's consideration. The Board gives less weight to appellant's comparables #2 and #3 due to their larger dwelling sizes when compared to the subject. The Board gives reduced weight to board of review comparable #5 due to its unfinished basement when compared to the subject's finished basement.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #4 along with the board of review's comparables #1, #2, #3 and #4 which are most similar to the subject in location, design, dwelling size, age and some features. These comparables have improvement assessments ranging from \$54,168 to \$78,990 or from \$38.83 to \$57.24 per square foot of living area. The subject's improvement assessment of \$65,066 or \$49.63 per square foot of living area, falls within the range of the best comparables in the record. Based on this record, and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
