

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Gryl
DOCKET NO.: 22-01143.001-R-1
PARCEL NO.: 16-26-217-008

The parties of record before the Property Tax Appeal Board are Mark Gryl, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$66,188
IMPR.: \$75,771
TOTAL: \$141,959

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 1,648 square feet of living area. The dwelling was constructed in 1967 and is approximately 55 years old. Features of the home include a basement and a 308 square foot garage. The property has a 10,001 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.35 of a mile from the subject. The parcels range in size from 7,505 to 12,327 square feet of land area and are improved with 2-story homes of brick exterior construction ranging in size from 1,688 to 2,364 square feet of living area. The dwellings range in age from 59 to 94 years old. Each home has a basement with finished area, central air conditioning, and a fireplace. Three homes each have a garage ranging in size from 288 to 504 square feet of building area. The comparables sold from

February 2020 to August 2021 for prices ranging from \$385,000 to \$510,000 or from \$186.13 to \$228.08 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$141,959. The subject's assessment reflects a market value of \$426,816 or \$258.99 per square foot of living area, land included, when using the 2022 three year average median level of assessment for Lake County of 33.26% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.21 of a mile from the subject. The parcels range in size from 4,610 to 10,000 square feet of land area and are improved with 2-story homes of wood siding, brick and shingle, or stucco exterior construction ranging in size from 1,515 to 1,785 square feet of living area. The dwellings were built from 1925 to 1953 with effective ages ranging from 1955 to 1993. Each home has a basement, two of which have finished area, central air conditioning, a fireplace, and a garage ranging in size from 264 to 529 square feet of building area. The comparables sold from August 2020 to October 2021 for prices ranging from \$465,000 to \$671,000 or from \$287.04 to \$375.91 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparable #2, which sold less proximate in time to the assessment date than the other comparables in this record, are substantially larger homes than the subject, and/or lack a garage which is a feature of the subject.

The Board finds the best evidence of market value to be the board of review's comparables #1 and #3, which sold more proximate in time to the assessment date and are similar to the subject in dwelling size, location, and some features, but have varying degrees of similarity to the subject in lot size and age/effective age, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables sold for prices of \$465,000 and \$671,000 or \$287.04 and \$375.91 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$426,816 or \$258.99 per square foot of living area, including land, which is below the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
