

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shana Finkelstein
DOCKET NO.: 22-01161.001-R-1
PARCEL NO.: 16-34-313-021

The parties of record before the Property Tax Appeal Board are Shana Finkelstein, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$72,488
IMPR.: \$172,898
TOTAL: \$245,386

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,556 square feet of living area. The dwelling was constructed in 1993 and is approximately 29 years old. Features of the home include a finished basement, central air conditioning, a fireplace, and a garage containing 528 square feet of building area. The property has an approximately 16,310 square foot site and is located in Deerfield, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within .5 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick exterior construction ranging in size from 2,842 to 3,550 square feet of living area. The homes are 51 to 59 years old.

Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage containing either 483 or 484 square feet of building area. The comparables have improvement assessments ranging from \$126,234 to \$160,949 or from \$41.24 to \$45.34 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$155,308 or \$43.67 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$245,386. The subject property has an improvement assessment of \$172,898 or \$48.62 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .12 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick and wood siding exterior construction ranging in size from 3,712 to 4,233 square feet of living area. The homes were built in 1991 or 1992. Each dwelling has central air conditioning, a fireplace, a basement with three having finished area, and a garage ranging in size from 682 to 874 square feet of building area. The comparables have improvement assessments ranging from \$182,423 to \$214,624 or from \$49.14 to \$52.74 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables, which differ from the subject in age. The Board also gives reduced weight to board of review comparable #5 due to its larger dwelling in relation to the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1 through #4, which are similar to the subject in age, location, dwelling size, and some features. These comparables have improvement assessments that range from \$182,423 to \$207,256 or from \$49.14 to \$52.74 per square foot of living area. The subject's improvement assessment of \$172,898 or \$48.62 per square foot of living area falls below the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
