

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexander Bravy
DOCKET NO.: 22-01186.001-R-1
PARCEL NO.: 16-36-205-051

The parties of record before the Property Tax Appeal Board are Alexander Bravy, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$111,103
IMPR.: \$189,629
TOTAL: \$300,732

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,712 square feet of living area. The dwelling was constructed in 1933 and is approximately 89 years old. It has an effective age of 1964. Features of the home include a basement with finished area, central air conditioning, a fireplace and an 828 square foot garage. The property has a 14,000 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located from .5 of a mile to 1.2 miles from the subject. The comparables are improved with 2-story dwellings of stone or wood siding exterior construction ranging in size from 3,356 to 4,322 square feet of living area. The dwellings are 71 to 92 years old and have basements with finished area. Each

comparable has central air conditioning, one to three fireplaces and a garage ranging in size from 437 to 874 square feet of building area. The comparables have improvement assessments that range from \$106,767 to \$129,881 or from \$29.11 to \$34.70 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$300,732. The subject property has an improvement assessment of \$189,629 or \$51.09 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five comparables with the same assessment neighborhood code as the subject and located within .96 of a mile from the subject. The comparables are improved with 1.5-story, 2-story or 2.5-story dwellings of brick and wood siding, stone and wood siding, or brick and stone exterior construction that range in size from 3,448 to 3,852 square feet of living area. The dwellings were built from 1930 to 1967 with effective ages from 1963 to 1983. The comparables have basements with finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 200 to 646 square feet of building area. The comparables have improvement assessments that range from \$182,624 to \$202,676 or from \$49.07 to \$58.06 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten suggested equity comparables for the Board's consideration. The Board gives less weight to appellant's comparables #1, #2 and #3 which are less similar to the subject in location and/or dwelling size. The Board gives less weight to board of review comparables #2, #3 and #4 due to difference in year built and/or dwelling size when compared to the subject. The Board finds the best evidence of assessment equity to be appellant's comparable #4 as well as board of review comparables #1 and #4 which overall are more similar to the subject in location, age/effective age, dwelling size, and features. These comparables have improvement assessments ranging from \$128,522 to \$199,792 or from \$34.70 to \$53.21 per square foot of living area. The subject's improvement assessment of \$189,629 or \$51.09 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
