

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy Giles
DOCKET NO.: 22-01213.001-R-1
PARCEL NO.: 09-21-305-004

The parties of record before the Property Tax Appeal Board are Timothy Giles, the appellant, by attorney Timothy C. Jacobs, of Kovitz Shifrin Nesbit in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,025
IMPR.: \$50,898
TOTAL: \$60,923

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of vinyl siding exterior construction with 1,129 square feet of living area. The dwelling was built in 1979. Features of the home include a lower level with finished area, central air conditioning, 2.5 bathrooms, and a 594 square foot garage. The property has an approximately 4,580 square foot site, and is located in Island Lake, Wauconda Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property and are within 0.57 of a mile from the subject. The comparables are improved with 1-story dwellings of wood siding or vinyl siding exterior construction ranging in size from 966 to 1,144 square feet of living area. The dwellings were built in either 1974 or 1978. Each comparable is reported to

have an unfinished basement and central air conditioning and 1.0 to 2.0 bathrooms. One comparable has one fireplace. Three comparables each have a garage ranging in size from 504 to 624 square feet of building area. These properties have improvement assessments ranging from \$38,527 to \$43,200 or from \$36.99 to \$39.61 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$42,902 or \$38.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,923. The subject property has an improvement assessment of \$50,898 or \$45.08 per square foot of living area.

The board of review noted that the subject's bathroom count, finished basement area, and garage area were superior to all the comparables.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located in the same assessment neighborhood code as the subject property and are within 0.55 of a mile from the subject. The properties are improved with 1-story dwellings of aluminum siding, wood siding, or wood siding and brick exterior construction ranging in size from 1,100 to 1,170 square feet of living area. The dwellings were built from 1976 to 1984. Each comparable has a lower level with finished area, central air conditioning, 2.0 bathrooms, and a garage ranging in size from 484 to 550 square feet of building area. Two comparables each have one fireplace. These properties have improvement assessments ranging from \$43,934 to \$51,440 or from \$38.51 to \$45.44 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven equity comparables submitted by the parties to support their respective positions. The Board finds the parties' comparables are each similar to the subject in location, age, and dwelling size but present varying differences in other features. Nevertheless, these comparables have improvement assessments ranging from \$38,527 to \$51,440 or from \$36.99 to \$45.44 per square foot of living area. The subject's improvement assessment of \$50,898 or \$45.08 per square foot of living area falls within the range established by the comparables in this record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
