

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Katz -- Estate of Maurie Katz
DOCKET NO.: 22-01281.001-R-1
PARCEL NO.: 16-29-106-018

The parties of record before the Property Tax Appeal Board are Katz -- Estate of Maurie Katz, the appellant, by attorney Max E. Callahan, of Siegel & Callahan, P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,470
IMPR.: \$140,409
TOTAL: \$193,879

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,449 square feet of living area. The dwelling was constructed in 1960. Features of the home include a basement, central air conditioning, a fireplace, and a 600 square foot garage. The property has an approximately 11,200 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$550,000 as of January 1, 2019.

In a brief, the appellant stated there are pending appeals for the 2019, 2020, and 2021 tax years. As part of the appeal, the appellant disclosed the subject is an owner-occupied residence. The

Board takes judicial notice that the subject was the subject matter of appeals before the Board for the 2019, 2020, and 2021 tax years as Docket Nos. 19-07686, 20-04175, and 21-02938 in which the Board issued decisions lowering the subject's assessment to \$187,000, \$187,318, and \$186,925, respectively, based on the evidence submitted by the parties.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$243,061. The subject's assessment reflects a market value of \$729,256 or \$211.44 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹ Also, as part of the "Board of Review Notes on Appeal," the board of review reported that 2019 was the first year of the general assessment cycle for the subject property and that for tax year 2022 an equalization factor of 1.0372 was applied to non-farm properties in West Deerfield Township.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales with varying degrees of similarity to the subject. The comparables sold from August 2020 to January 2023 for prices ranging from \$223.63 to \$249.16 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be sustained.

In written rebuttal, the appellant requested the subject's assessment for the prior tax year be carried forward to the 2022 tax year as both tax years are within the same general assessment cycle.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction

¹ Sec. 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2022.

establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of appeals before the Board for the 2019, 2020, and 2021 tax years under Docket Nos. 19-07686, 20-04175, and 21-02938 in which the Board issued decisions lowering the subject's assessment to \$187,000, \$187,318, and \$186,925, respectively. The record further disclosed the subject property is an owner-occupied dwelling. The Board also finds that the 2019 to 2022 tax years are within the same general assessment period and an equalization factor of 1.0372 was applied in West Deerfield Township in 2022. Furthermore, the decision of the Board for the 2021 tax year has not been reversed or modified upon review and there was no evidence the subject property recently sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in a reduced total assessment of \$193,879, which is less than the 2020 assessment of the subject property of \$243,061.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
