

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rajesh K. Sharma
DOCKET NO.: 22-01318.001-R-1
PARCEL NO.: 16-16-201-007

The parties of record before the Property Tax Appeal Board are Rajesh K. Sharma, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$58,392
IMPR.: \$135,436
TOTAL: \$193,828

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 3,187 square feet of living area.¹ The dwelling was constructed in 1984. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 400 square feet of building area. The property is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .14 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings ranging in size from 3,116 to 3,456 square feet of living area. The homes were each

built in 1978. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 420 to 506 square feet of building area. The comparables sold from February 2020 to April 2022 for prices ranging from \$392,750 to \$700,000 or from \$126.04 to \$206.98 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$172,081, for an estimated market value of \$516,295 or \$162.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$193,828. The subject's assessment reflects a market value of \$581,542 or \$182.47 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.²

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .13 of a mile of the subject and within the subject's assessment neighborhood. Comparables #2 and #3 are the same properties as appellant comparables #3 and #2, respectively, described above. Comparable #1 is a two-story dwelling of brick and wood siding exterior construction with 3,355 square feet of living area. Comparable #1 was built in 1985, has central air conditioning, a fireplace, a basement with finished area, and a garage containing 800 square feet of building area. Comparable #1 sold in November 2022 for a price of \$725,000 or \$216.10 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of four comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board gives less weight to the appellant's comparable #1, which sold less proximate to the January 1, 2022 valuation date at issue.

The Board finds the best evidence of market value to be board of review comparable sale #1 and the parties' shared comparables, which are similar to the subject in age, location, dwelling size, and some features. These most similar comparables sold from January 2021 to November 2022 for prices ranging from \$552,500 to \$725,000 or from \$159.87 to \$216.10 per square foot of living area, including land. The subject's assessment reflects a market value of \$581,542 or

² Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for tax year 2022.

\$182.47 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
