

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Kiser
DOCKET NO.: 22-01338.001-R-1
PARCEL NO.: 15-09-315-014

The parties of record before the Property Tax Appeal Board are William Kiser, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,083
IMPR.: \$148,003
TOTAL: \$189,086

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,476 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement, central air conditioning, two fireplaces, and a 704 square foot garage. The property has a 10,890 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.32 of a mile from the subject. The parcels range in size from 8,276 to 10,890 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 3,461 to 3,828 square feet of living area. The dwellings were built in 1998 or 1999. Each home has a basement, three of which have finished area, central air conditioning, one or two fireplaces, and a 484 or a 704 square foot garage. The comparables sold from March 2021 to January 2022 for

prices ranging from \$265,000 to \$550,000 or from \$69.23 to \$158.91 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,086. The subject's assessment reflects a market value of \$567,315 or \$163.21 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹ In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.18 of a mile from the subject. The comparables have 7,841 or 8,276 square foot sites that are improved with 2-story homes of frame exterior construction with 3,475 or 3,476 square feet of living area. The dwellings were built from 1998 to 2000. Each home has a basement, two of which have finished area, central air conditioning, and a 484 or a 704 square foot garage. Three homes each have a fireplace. The comparables sold from May 2021 to June 2022 for prices ranging from \$585,000 to \$649,900 or from \$168.30 to \$186.97 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which sold for considerably less than the other comparables in this record, indicating this sale is an outlier. The Board gives less weight to the appellant's comparables #2, #3, and #4 and the board of review's comparables #1 and #2, which each have finished basement area unlike the subject.

The Board finds the best evidence of market value to be the board of review's comparables #3 and #4, which are similar to the subject in dwelling size, age, location, site size, and features. These two most similar comparables sold for prices of \$585,000 and \$638,875 or for \$168.30 and \$183.85 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$567,315 or \$163.21 per square foot of living area, including land, which is below the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2022.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
