

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Randy Patton  
DOCKET NO.: 22-01353.001-R-1  
PARCEL NO.: 14-09-201-019

The parties of record before the Property Tax Appeal Board are Randy Patton, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$55,609  
**IMPR.:** \$275,853  
**TOTAL:** \$331,462

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 6,041 square feet of living area. The dwelling was constructed in 2004. Features of the home include a walkout basement, central air conditioning, three fireplaces, and a 1,029 square foot garage. The property has a 83,035 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.82 of a mile to 2.66 miles from the subject. The parcels range in size from 22,616 to 62,933 square feet of land area and are improved with 2-story homes of brick, frame, or brick and frame exterior construction ranging in size from 4,836 to 5,358 square feet of living area. The dwellings were built from 1989 to 2000 with comparable #1 reported to have been recently rehabbed. Each home has a

basement, one of which is a lookout, central air conditioning, one to three fireplaces, and a garage ranging in size from 775 to 1,158 square feet of building area. The comparables sold from March to July 2021 for prices ranging from \$690,000 to \$798,000 or from \$142.68 to \$148.94 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$331,462. The subject's assessment reflects a market value of \$994,485 or \$164.62 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.53 to 0.78 of a mile from the subject. The parcels range in size from 44,078 to 58,370 square feet of land area and are improved with 2-story homes of brick, frame, or brick and frame exterior construction ranging in size from 4,314 to 5,609 square feet of living area. The dwellings were built from 2004 to 2014. Each home has a basement, two of which are lookouts, central air conditioning, one to four fireplaces, and a garage ranging in size from 1,035 to 1,196 square feet of building area. The comparables sold from July 2020 to November 2022 for prices ranging from \$777,250 to \$990,000 or from \$176.50 to \$192.39 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3, which are located more than one mile from the subject, and the board of review's comparable #4, which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #2 and the board of review's comparables, #1, #2, and #3, which sold more proximate in time to the assessment date and are more similar to the subject in location, but have varying degrees of similarity to the subject in dwelling size, age, site size, and features. These most similar comparables sold for prices ranging from \$700,000 to \$990,000 or from \$144.00 to \$192.39 per square foot of living area, including land. The subject's assessment reflects a market value of

<sup>1</sup> Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2022.

\$994,485 or \$164.62 per square foot of living area, including land, which is above the range established by the best comparable sales in terms of total market value and within the range on a price per square foot basis, which is logical given the subject is a much larger home than the best comparables. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
