

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Scholl
DOCKET NO.: 22-01354.001-R-1
PARCEL NO.: 14-08-204-004

The parties of record before the Property Tax Appeal Board are Stephen Scholl, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,160
IMPR.: \$179,117
TOTAL: \$216,277

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,758 square feet of living area. The dwelling was constructed in 1995. Features of the home include a basement, central air conditioning, a fireplace and a 720 square foot garage. The property has a 43,336 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.89 of a mile from the subject. The parcels range in size from 46,319 to 92,156 square feet of land area and are improved with 2-story homes of brick or frame exterior construction ranging in size from 3,713 to 4,381 square feet of living area. The dwellings were built from 1985 to 1996. Each home has a basement, two of which are walkouts, central air conditioning, two or three fireplaces, and a garage ranging in size from 638 to 875 square feet of building area. The comparables sold from

April 2020 to January 2021 for prices ranging from \$620,000 to \$712,500 or from \$161.15 to \$189.29 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$216,277. The subject's assessment reflects a market value of \$648,896 or \$172.67 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.24 of a mile from the subject. The parcels range in size from 38,943 to 39,642 square feet of land area and are improved with 2-story homes of brick or brick with frame exterior construction ranging in size from 3,356 to 3,719 square feet of living area. The dwellings were built in 1990 or 1994 with comparable #3 having an effective age of 1996. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 706 to 1,058 square feet of building area. Comparable #1 has an inground swimming pool. The comparables sold from December 2021 to November 2022 for prices ranging from \$655,000 to \$675,000 or from \$180.16 to \$201.13 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparable #1, due to substantial differences from the subject in dwelling size, site size, and/or inground swimming pool amenity, and/or which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the board of review's comparables #2 and #3, which sold more proximate in time to the assessment date and are similar to the subject in dwelling size, age, location, site size, and features. These two comparables sold for prices of \$655,000 and \$675,000 or for \$186.66 and \$201.13 per square foot of living area, including land. The subject's assessment reflects a market value of \$648,896 or \$172.67 per square foot of living area, including land, which is below the best comparable sales in this record. Based on this

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2022.

evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
