

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Teresa Burgin
DOCKET NO.: 22-01417.001-R-1
PARCEL NO.: 13-01-103-007

The parties of record before the Property Tax Appeal Board are Teresa Burgin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,760
IMPR.: \$115,780
TOTAL: \$155,540

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 2,684 square feet of living area. The dwelling was constructed in 1977. Features of the home include a basement, central air conditioning, two fireplaces, and a 792 square foot garage. The property has a 75,125 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.48 of a mile from the subject. The parcels range in size from 45,294 to 83,959 square feet of land area and are improved with 2-story homes of frame or brick and frame exterior construction ranging in size from 2,732 to 2,957 square feet of living area. The dwellings were built from 1976 to 1989. Each home has a basement, two of which have finished area and one of which is a walkout,

central air conditioning, two fireplaces, and a garage ranging in size from 724 to 853 square feet of building area.¹ The comparables sold in July or November 2020 for prices ranging from \$349,900 to \$475,000 or from \$127.14 to \$173.87 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$155,540. The subject's assessment reflects a market value of \$467,649 or \$174.24 per square foot of living area, land included, when using the 2022 three year average median level of assessment for Lake County of 33.26% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.48 of a mile from the subject. Comparables #1 and #3 are the same sales as the appellant's comparables #3 and #2, respectively, which are described above. The board of review's comparable #2 has an 85,837 square foot site that is improved with a 2-story home of frame exterior construction with 2,877 square feet of living area. The home was built in 1978 and has an effective age of 1985. This comparable features a basement with finished area, central air conditioning, two fireplaces, and a 768 square foot garage. Comparable #2 sold in June 2021 for a price of \$610,500 or \$212.20 per square foot of living area, including land.

In a memorandum from the township assessor's office, it was noted the appellant's comparable #1 is a contemporary home that was dated. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of four comparable sales, with two common sales, for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which sold for considerably less than the other comparables in this record, indicating this sale was an outlier. The Board gives less weight to the appellant's comparable #3/board of review's comparable #1, which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #2/board of review's comparable #3 and the board of review's comparable #2, which sold more proximate in time to the assessment date and are relatively similar to the subject in dwelling size, age, and

location, but have varying degrees of similarity to the subject in site size and have finished basement area unlike the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These two most similar comparables sold for prices of \$445,000 and \$610,500 or from \$150.49 and \$212.20 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$467,649 or \$174.24 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record. Based on this evidence, and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
