

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Burton Jansen
DOCKET NO.: 22-01419.001-R-1
PARCEL NO.: 12-33-411-012

The parties of record before the Property Tax Appeal Board are Burton Jansen, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$79,255
IMPR.: \$131,001
TOTAL: \$210,256

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story duplex dwelling of brick exterior construction¹ with 2,255 square feet of living area. The dwelling was constructed in 1966. Features of the home include a basement with finished area, central air conditioning, four fireplaces, and a 660 square foot garage. The property has an 8,420 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 1.16 to 1.60 miles from the subject. The parcels range in size from 7,501 to 16,797 square feet of land area and are improved with 2-story homes ranging in size from 1,930 to 2,578 square feet of living area. The

dwelling were built from 1900 to 1915. Each home has a basement and a garage ranging in size from 506 to 924 square feet of building area. The comparables sold from March 2021 to April 2022 for prices ranging from \$372,000 to \$580,000 or from \$192.75 to \$228.47 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$210,256. The subject's assessment reflects a market value of \$632,159 or \$280.34 per square foot of living area, land included, when using the 2022 three year average median level of assessment for Lake County of 33.26% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on three comparable sales located from 1.00 to 1.60 miles from the subject. Comparable #3 is the same property as the appellant's comparable #3. The parcels range in size from 4,500 to 13,090 square feet of land area and are improved with 1.75-story or 2-story homes of brick or wood siding exterior construction, one of which is a townhouse, ranging in size from 1,820 to 2,188 square feet of living area. The dwellings were built from 1915 to 1985 with comparable #1 having an effective age of 1955. Each home has a basement and a garage ranging in size from 462 to 816 square feet of building area. Two homes each have central air conditioning and a fireplace. The comparables sold from March to August 2022 for prices ranging from \$499,900 to \$750,000 or from \$228.47 to \$412.09 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #1, which sold for considerably less than the other comparables in this record, indicating this sale was an outlier.

The Board finds the best evidence of market value to be the appellant's comparable #2, the appellant's comparable #3/board of review's comparable #3, and the board of review's comparables #1 and #2, which have varying degrees of similarity to the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables sold for prices ranging from \$499,900 to \$750,000 or from \$224.98 to \$412.09 per square foot of living area, including land. The subject's assessment reflects a market value of \$632,159 or \$280.34 per square foot of living area, including land, which is within range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustment to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
