

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William O'Reilly
DOCKET NO.: 22-01428.001-R-1
PARCEL NO.: 14-01-302-010

The parties of record before the Property Tax Appeal Board are William O'Reilly, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,614
IMPR.: \$71,071
TOTAL: \$133,685

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,832 square feet of living area. The dwelling was constructed in 1988. Features of the home include a basement, central air conditioning, a fireplace, and a 770 square foot garage. The property has an 87,429 square foot site and is located in Long Grove, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales, with two sales reported for one of the properties, located within 0.64 of a mile from the subject. The parcels range in size from 88,629 to 109,839 square feet of land area and are improved with 2-story homes of frame or brick exterior construction ranging in size from 3,172 to 3,328 square feet of living area. The dwellings were built from 1980 to 1995 with comparable #3 reported to have recently been

rehabbed. Each home has a basement, one of which has finished area¹ and two of which are walkouts, central air conditioning, one or three fireplace, and a garage ranging in size from 682 to 2,126 square feet of building area. Comparable #3 has an inground swimming pool. The comparables sold from February 2020 to February 2021 for prices ranging from \$300,000 to \$530,000 or from \$93.37 to \$159.25 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,685. The subject's assessment reflects a market value of \$401,939 or \$141.93 per square foot of living area, land included, when using the 2022 three year average median level of assessment for Lake County of 33.26% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.25 of a mile from the subject. The parcels range in size from 87,816 to 103,087 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 2,016 to 3,474 square feet of living area. The dwellings were built from 1858 to 1986 with the oldest home having an effective age of 1940. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 320 to 875 square feet of building area. Comparable #2 has an inground swimming pool and comparable #3 has a barn and a shed. The comparables sold from January 2020 to October 2021 for prices ranging from \$300,000 to \$700,000 or from \$148.51 to \$202.78 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales, including one property that sold twice, for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3 and the board of review's comparable #3, which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparable #4 and the board of review's comparables #1 and #2, which sold more proximate in time to the assessment date but have varying degrees of similarity to the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$530,000 to \$700,000 or from \$158.32 to \$202.78 per square foot of living area, including land. The subject's assessment reflects a market value of

¹ The appellant presented a listing sheet for comparable #3 which discloses finished basement area.

\$401,939 or \$141.93 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
