

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Edgell
DOCKET NO.: 22-01429.001-R-1
PARCEL NO.: 14-05-405-003

The parties of record before the Property Tax Appeal Board are James Edgell, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,598
IMPR.: \$241,132
TOTAL: \$284,730

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 5,155 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement, central air conditioning, a fireplace, and a 1,725 square foot garage. The property has a 83,028 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.42 of a mile from the subject. The parcels range in size from 39,555 to 42,038 square feet of land area and are improved with 2-story homes of frame, brick, or brick with frame exterior construction ranging in size from 4,469 to 4,780 square feet of living area. The dwellings were built in 1996 or 2003 and the appellant reported comparables #2 and #3 were recently rehabbed. Each home has a

basement, two of which have finished area,¹ central air conditioning, one or three fireplaces, and a garage ranging in size from 702 to 1,316 square feet of building area. The comparables sold from April to August 2021 for prices ranging from \$600,000 to \$750,000 or from \$125.52 to \$163.22 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$284,730. The subject's assessment reflects a market value of \$856,073 or \$166.07 per square foot of living area, land included, when using the 2022 three year average median level of assessment for Lake County of 33.26% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.61 of a mile from the subject. Comparable #1 is the same property as the appellant's comparable #3. The parcels range in size from 40,174 to 161,477 square feet of land area and are improved with 2-story homes of brick or brick with frame exterior construction ranging in size from 4,585 to 5,740 square feet of living area. The dwellings were built in 1996 or 2003. Each home has a basement, one of which has finished area and one of which is a walkout, central air conditioning, one or two fireplaces, and a garage ranging in size from 702 to 1,302 square feet of building area. The comparables sold from August 2021 to April 2022 for prices ranging from \$750,000 to \$1,100,000 or from \$163.22 to \$211.34 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparable #2 and the appellant's comparable #3/board of review's comparable #1, due to substantial differences from the subject in basement finish.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparables #2 and #3, which are similar to the subject in dwelling size, age, location, and some features, but have varying degrees of similarity to the subject in site size and garage size, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$600,000

to \$1,100,000 or from \$125.52 to \$211.34 per square foot of living area, including land. The subject's assessment reflects a market value of \$856,073 or \$166.07 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
