

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chris Vogt  
DOCKET NO.: 22-01521.001-R-1  
PARCEL NO.: 16-32-411-136

The parties of record before the Property Tax Appeal Board are Chris Vogt, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$63,791  
**IMPR.:** \$212,115  
**TOTAL:** \$275,906

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 3,953 square feet of living area. The dwelling was constructed in 1992. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 504 square foot garage. The property is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.26 of a mile from the subject property. The comparables are improved with 2-story dwellings ranging in size from 3,634 to 4,321 square feet of living area. The dwellings were built from 1997 to 2001. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 660 to 803 square feet of building area. The properties sold from July 2020 to November 2021 for prices ranging from \$755,000 to \$800,000 or from \$174.73 to \$211.89 per

square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$254,284 which reflects a market value of \$762,928 or \$193.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$275,906. The subject's assessment reflects a market value of \$827,801 or \$209.41 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.16 of a mile from the subject property. The comparables are improved with 1-story<sup>2</sup> or 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,941 to 4,253 square feet of living area. The homes were built from 1993 to 1999 with comparable #3 having an effective age of 1996. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage ranging in size from 594 to 792 square feet of building area. The properties sold from December 2020 to April 2022 for prices ranging from \$832,000 to \$1,025,000 or from \$199.90 to \$241.01 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted six comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #2 and #3 along with board of review comparable #2 which sold in 2020, less proximate in time to the January 1, 2022 assessment date.

The Board finds the best evidence of market value to be appellant comparable #1 and board of review comparables #1 and #3 which sold proximate to the assessment date at issue and are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from May 2021 to April 2022 for prices ranging from \$755,000 to \$1,025,000 or from \$174.73 to \$241.01 per square foot of living area, including land. The subject's assessment reflects a market value of \$827,801 or \$209.41 per square foot of living area, including land, which falls within the range established by the best comparable sales in this

<sup>1</sup> Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for tax year 2022.

<sup>2</sup> Board of review comparable #2 has ground floor area of 984 square feet and above ground floor area of 4,192 square feet, suggesting this property is a part 1-story, part 2-story dwelling.

record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
