

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathleen King
DOCKET NO.: 22-01534.001-R-1
PARCEL NO.: 02-07-104-009

The parties of record before the Property Tax Appeal Board are Kathleen King, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,922
IMPR.: \$74,331
TOTAL: \$86,253

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,216 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, one fireplace and a 462 square foot garage. The property is located in Antioch, Antioch Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on 12 equity comparables located in the same assessment neighborhood code as the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,090 to 2,528 square feet of living area. The homes were built from 1998 to 2004. Each comparable has an unfinished basement, central air conditioning and a garage ranging in size from 88 to 682 square feet of building area. Eight dwellings each have one fireplace. The

comparables have improvement assessments that range from \$56,037 to \$78,693 or from \$26.81 to \$31.68 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$67,799 or \$30.60 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$86,253. The subject has an improvement assessment of \$74,331 or \$33.54 per square foot of living area.

The board of review critiqued the appellant's comparable properties arguing appellant comparables #2 through #11 have larger, less similar dwelling sizes relative to the subject.

In support of its contention of the correct assessment, the board of review submitted information on ten equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,140 to 2,320 square feet of living area. The homes were built from 1998 to 2004. Each comparable has a basement, with one having finished area. Each dwelling has central air conditioning and a garage ranging in size from 400 to 462 square feet of building area. Eight homes each have one fireplace. The comparables have improvement assessments that range from \$72,397 to \$78,960 or from \$33.24 to \$36.90 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 22 equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 through #11 along with board of review comparables #4 through #10 which are less similar to the subject in age, dwelling size and/or basement finish than other properties in the record.

The Board finds the best evidence of assessment equity to be appellant comparable #12 and board of review comparables #1, #2 and #3 which are identical or nearly identical to the subject in location, age, dwelling size and other features. These comparables have improvement assessments that range from \$70,268 to \$76,345 or from \$31.68 to \$33.60 per square foot of living area. The subject's improvement assessment of \$74,331 or \$33.54 per square foot of living area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the

subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
