

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nicole Greenlee
DOCKET NO.: 22-01540.001-R-1
PARCEL NO.: 11-29-204-031

The parties of record before the Property Tax Appeal Board are Nicole Greenlee, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,638
IMPR.: \$162,018
TOTAL: \$227,656

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story residential dwelling that was built in 2001. The property has an approximately 12,697 square feet in land area and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends assessment inequity regarding the land assessment as the basis of the appeal. In support of this argument, the appellant submitted information on eleven equity comparables with the same assessment neighborhood code as the subject with six comparables also located on the same street as the subject. The improved comparable parcels range in size from 12,071 to 13,229 square feet of land area and have land assessments of \$51,369 to \$65,638 or from \$3.94 to \$5.44 per square foot of land area. Based on this evidence, the appellant requested a reduction in the subject's land assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$227,656. The subject property has a land assessment of \$65,638 or \$5.17 per square foot of land area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject and are also located on the same street as the subject property. The improved comparable parcels range in size from 11,972 to 12,126 square feet of land area with each having a land assessment of \$65,638 or for \$5.41 and \$5.48 per square foot of land area. Based on this evidence, the board of review requested confirmation of the subject's land assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 15 land equity comparables for the Board's consideration which are similar to the subject in location and site size. The comparables have land assessment ranging from \$51,369 to \$65,638 or from \$3.94 to \$5.48 per square foot of land area. The subject's land assessment of \$65,638 or \$5.17 per square foot of land area falls within the range established by the best comparables in the record. After considering adjustment to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's land was inequitably assessed and a reduction in the subject's land assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
