

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jonathan Oaks
DOCKET NO.: 22-01548.001-R-1
PARCEL NO.: 13-14-301-024

The parties of record before the Property Tax Appeal Board are Jonathan Oaks, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,298
IMPR.: \$185,982
TOTAL: \$231,280

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 4,739 square feet of living area. The dwelling was constructed in 1994. The property has a 1.89-acre or 82,426 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity, with respect to the land assessment as the basis of the appeal. In support of this argument, the appellant submitted information on 12 equity comparables located in the same assessment neighborhood code and from 1.04 to 2.01 miles from the subject. The comparables have sites that range in size from 87,856 to 94,090 square feet of land area. The comparables have land assessments that range from \$44,204 to \$45,519 or from \$0.48 to \$0.50 per square foot of land area. Based on this evidence, the appellant requested the subject's land assessment be reduced to \$40,388 or \$0.49 per square foot of land area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$231,280. The subject has a land assessment of \$45,298 or \$0.55 per square foot of land area.

In support of its contention of the correct assessment, the board of review submitted information on six equity comparables located in the same assessment neighborhood code and within 0.25 of a mile from the subject property. The comparables have sites that range in size from 51,629 to 76,185 square feet of land area and land assessments that range from \$44,715 to \$45,179 or from \$0.59 to \$0.87 per square foot of land area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 18 assessment comparables for the Board's consideration. The Board finds the appellant's comparables differ from the subject in proximity while five of the board of review's comparables differ from the subject in site size. Nevertheless, the Board gives less weight to appellant comparables #1 through #7 and #9 through #12 along board of review comparables #1 through #4 and #6 which are least similar to the subject in location and/or site size. The Board finds the best evidence of assessment equity to be appellant comparable #8 and board of review comparable #5 which are more similar to the subject in location and site size. These two comparables have land assessments of \$44,204 and \$45,179 or for \$0.50 and \$0.59 per square foot of land area. The subject property has a land assessment of \$45,298 or \$0.55 per square foot of land area which falls above the two best land comparables in the record on an overall land assessment basis and is bracketed by the two best comparables on a per square foot basis. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's land was inequitably assessed and a reduction in the subject's land assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
