

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Krishna Movva  
DOCKET NO.: 22-01598.001-R-1  
PARCEL NO.: 15-20-410-005

The parties of record before the Property Tax Appeal Board are Krishna Movva, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$40,577  
**IMPR.:** \$128,419  
**TOTAL:** \$168,996

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 2,900 square feet of living area.<sup>1</sup> The dwelling was constructed in 1997. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 620 square foot garage. The property has a 10,019 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

---

<sup>1</sup> The Board finds the only description of the subject property was provided by the appellant. The board of review provided a property information sheet for PIN 15-13-204-033 with an address of 1951 Wedgewood Dr., Lake Forest, whereas the appeal petition identifies the subject parcel under appeal as PIN 15-20-410-005 with an address of 1937 Beverly Ln., Buffalo Grove. Additionally, the board of review's grid analysis also misidentified the subject property as PIN 15-13-204-033.

The appellant contends assessment inequity with respect to the land as the basis of the appeal. The appellant did not contest the subject's improvement assessment. In support of this argument the appellant submitted information on 12 equity comparables that have the same assessment neighborhood code as the subject and are located from .01 to .20 of a mile from the subject property. The improved parcels have sites that range in size from 10,019 to 11,326 square feet of land area. The comparables have land assessments ranging from \$33,595 to \$45,054 or from \$3.35 to \$4.05 per square foot of land area.

Based on this evidence, the appellant requested a reduction in the subject's land assessment to \$38,924 or \$3.89 per square foot of land area

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$170,413. The subject property has a land assessment of \$41,994 or \$4.19 per square foot of land area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables that are located in Lake Forest, none of which have the same assessment neighborhood code as the subject. The improved parcels have sites that range in size from 35,350 to 44,400 square feet of land area. The comparables have land assessments ranging from \$91,931 to \$121,865 or from \$2.50 to \$2.77 per square foot of land area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains 17 equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #2, #4, #5 and #9 through #12 due to their less similar land sizes when compared to the subject in relation to the appellant's remaining comparables. The Board has also given less weight to the appellant's comparable #7 which appears to be an outlier due to its considerably lower land assessment of \$33,595 or \$3.35 per square foot of land area in relation to the other comparables in the record. The Board has given reduced weight to the comparables submitted by the board of review, which differ from the subject in location and have significantly larger site sizes when compared to the subject.

The Board finds the best evidence of equity to be the appellant's comparables #3, #6 and #8, which are similar to the subject in location and most similar to the subject in site size. The comparables have land assessments of \$37,794 and \$42,298 or \$3.77 and \$4.05 per square foot of land area. The subject's land assessment of \$41,994 or \$4.19 per square foot of land area falls

within the range established by the best comparables in this record in terms of total land assessment but above the comparables on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's assessment is excessive. Therefore, based on this record the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
