

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Suzanne Tollaksen
DOCKET NO.: 22-01648.001-R-1
PARCEL NO.: 16-28-306-013

The parties of record before the Property Tax Appeal Board are Suzanne Tollaksen, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$63,362
IMPR.: \$119,743
TOTAL: \$183,105

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a one-story dwelling of brick and wood siding exterior construction containing 1,876 square feet of above ground living area. The dwelling was constructed in 1963. Features of the home include an unfinished basement, central air conditioning, one fireplace, and an attached garage with 529 square feet of building. The property has a 12,014 square foot site located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the land as the basis of the appeal; the appellant is not contesting the improvement assessment. In support of this argument the appellant submitted information on three equity comparables each improved with a single-family dwelling. The comparables are located from .05 to .12 of a mile from the subject property with sites having either 8,503 or 8,773 square feet of land area. These properties have land

assessments of \$44,615 and \$43,224 or \$5.09 per square foot of land area. The appellant requested the subject's land assessment be reduced to \$58,809.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$183,105. The subject property has a land assessment of \$63,362 or \$5.27 per square foot of land area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables each improved with a single-family dwelling. The comparables are located from approximately .03 to .18 of a mile from the subject with sites ranging in size from 11,340 to 13,900 square feet of land area. The comparables have land assessments ranging from \$59,802 to \$73,329 which equates to either \$5.27 or \$5.28 per square foot of land area.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review comparables as these properties have sites more similar to the subject parcel in size than are the comparables submitted by the appellant. The board of review comparables have land assessments that range from \$59,802 to \$73,329 or for \$5.27 and \$5.28 per square foot of land area. The subject's land assessment of \$63,362 or \$5.27 per square foot of land area falls within the overall range established by the best comparables in this record and is equivalent to two of the comparables on a per square foot of land area basis. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's land was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
