

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Glenn Lawless
DOCKET NO.: 22-01693.001-R-1
PARCEL NO.: 15-08-401-001

The parties of record before the Property Tax Appeal Board are Glenn Lawless, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,171
IMPR.: \$140,180
TOTAL: \$172,351

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,968 square feet of living area. The dwelling was constructed in 1992. Features of the home include a basement with finished area, central air conditioning, one fireplace and a garage with 420 square feet of building area. The property has a site with 10,605 square feet of land area and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on twelve suggested equity comparables located in the same assessment neighborhood code as the subject and within .53 of a mile from the subject or on the same street as the subject. The appellant reported that the comparables are improved with 2-story dwellings of frame exterior construction each containing 2,968 square feet of living area. The dwellings were built from 1988 to 1994. The appellant reported that each comparable has a basement with finished area, central air conditioning and a garage containing 420 square feet of building area. Nine comparables each have one fireplace. The

comparables have improvement assessments that range from \$111,465 to \$137,990 or from \$37.56 to \$46.49 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$124,419 or \$41.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$172,351. The subject property has an improvement assessment of \$140,180 or \$47.23 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables located in the same assessment neighborhood code as the subject and within .46 of a mile from the subject. The comparables are improved with 2-story dwellings of frame exterior construction each containing 2,968 square feet of living area. The dwellings were built from 1989 to 1994. Each comparable has a basement, one with finished area, central air conditioning and a garage containing either 420 or 651 square feet of building area. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$140,462 to \$142,031 or from \$47.33 to \$47.85 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted a total of seventeen comparable properties for the Board's consideration. The Board gives less weight to board of review's comparables #1 through #4 due to their unfinished basements when compared to the subject and other comparables in the record.

The Board finds the best evidence of assessment equity to be the appellant's comparables along with board of review comparable #5. The Board finds these comparables are most similar to the subject in location, design, dwelling size, age and features. These comparables have improvement assessments ranging from \$111,465 to \$142,031 or from \$37.56 to \$47.85 per square foot of living area. The subject's improvement assessment of \$140,180 or \$47.23 per square foot of living area, which falls within the range of the best comparables in this record. Based on this record, and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
