

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark McNulty  
DOCKET NO.: 22-01781.001-R-1  
PARCEL NO.: 06-03-305-019

The parties of record before the Property Tax Appeal Board are Mark McNulty, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,815  
**IMPR.:** \$106,275  
**TOTAL:** \$121,090

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 3,132 square feet of living area. The dwelling was constructed in 2000. Features of the home include a walk-out style basement with finished area,<sup>1</sup> central air conditioning, a fireplace, and a garage containing 480 square feet of building area. The property has a 12,197 square foot site and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on 12 equity comparables, 11 of which are located within .37 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame exterior

construction ranging in size from 3,007 to 3,209 square feet of living area. The homes were built from 1999 to 2003. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 380 to 894 square feet of building area. The comparables have improvement assessments ranging from \$75,963 to \$104,078 or from \$24.73 to \$34.07 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$97,577 or \$31.15 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$121,090. The subject property has an improvement assessment of \$106,275 or \$33.93 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within .37 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,888 to 3,055 square feet of living area. The homes were built in 2002 or 2003. Each dwelling has central air conditioning, a basement with two having finished area and one being walk-out style, and a garage ranging in size from 555 to 780 square feet of building area. Three comparables each have a fireplace and comparable #2 has an inground swimming pool. The comparables have improvement assessments ranging from \$99,334 to \$105,092 or from \$33.40 to \$36.21 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 16 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparable #9, which appears to be an outlier based on its much lower assessment. The Board also gives reduced weigh to board of review comparable #2 due to its inground swimming pool, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 through #8 and #10 through #12 along with board of review comparables #1, #3, and #4, which are similar to the subject in age, location, dwelling size, and some features. These comparables have improvement assessments that range from \$90,900 to \$105,092 or from \$29.75 to \$36.21 per square foot of living area. The subject's improvement assessment of \$106,275 or \$33.93 per square foot of living area falls within the range established by the best comparables in this record on a per-square-foot basis. Although the subject's improvement assessment is slightly above the range overall, the Board finds it logical given the subject's finished walk-out style basement, a

feature all but one of the best comparables lack. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
