

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julie Stressler
DOCKET NO.: 22-01783.001-R-1
PARCEL NO.: 06-05-301-067

The parties of record before the Property Tax Appeal Board are Julie Stressler, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,513
IMPR.: \$110,905
TOTAL: \$130,418

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 4,005 square feet of living area. The dwelling was constructed in 2010. Features of the home include a basement with finished area,¹ central air conditioning, a fireplace, and a garage containing 600 square feet of building area. The property has an approximately 12,540 square foot site and is located in Lake Villa, Lake Villa Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on 12 equity comparables located within .29 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame exterior construction

¹ Details not reported by the appellant were drawn from the subject's property record card submitted by the board of review.

ranging in size from 3,839 to 4,182 square feet of living area. The homes were built from 2006 to 2011. Each dwelling has central air conditioning, an unfinished basement, and a garage ranging in size from 599 to 755 square feet of building area. Ten comparables each have a fireplace. The comparables have improvement assessments ranging from \$86,422 to \$107,196 or from \$21.28 to \$25.93 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$102,107 or \$25.49 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$130,418. The subject property has an improvement assessment of \$110,905 or \$27.69 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .24 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 3,981 to 4,105 square feet of living area. The homes were built in 2007 or 2008. Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage ranging in size from 600 to 667 square feet of building area. Comparable #2 has an inground swimming pool. The comparables have improvement assessments ranging from \$109,287 to \$113,545 or from \$27.43 to \$28.30 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 17 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables, which differ from the subject in basement finish. The Board also gives reduced weight to board of review comparable #2 due to its inground swimming pool, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #3, #4, and #5, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments that range from \$109,287 to \$113,545 or from \$27.43 to \$27.66 per square foot of living area. The subject's improvement assessment of \$110,905 or \$27.69 per square foot of living area falls within the range established by the best comparables in this record overall and only slightly above the range on a per-square-foot basis. Based on this record and after considering adjustments to the best comparables for differences

from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
