

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kathleen Molve
DOCKET NO.: 22-01787.001-R-1
PARCEL NO.: 06-09-410-001

The parties of record before the Property Tax Appeal Board are Kathleen Molve, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,563
IMPR.: \$65,446
TOTAL: \$76,009

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 1,866 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, and a 420 square foot garage. The property has a 10,890 square foot site and is located in Round Lake Beach, Lake Villa Township, Lake County.

The appellant contends assessment inequity as the basis of the appeal concerning the improvement assessment. In support of this argument, the appellant submitted information on twelve equity comparables located in the same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of wood frame exterior construction that were built from 1993 to 2002. The dwellings range in size from 1,861 to 2,023 square feet of living area and have unfinished basements as reported by the appellant. Eleven comparables have

central air conditioning. Three comparables each have a fireplace and each comparable has a garage ranging in size from 380 to 462 square feet of building area. The comparables have improvement assessments ranging from \$52,057 to \$68,127 or from \$26.08 to \$33.68 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$76,009. The subject property has an improvement assessment of \$65,446 or \$35.07 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on ten equity comparables located in the same assessment neighborhood code as the subject. The comparables consist of two-story dwellings of wood siding exterior construction that were built from 1993 to 2001. The dwellings range in size from 1,866 to 2,002 square feet of living area and feature basements, seven of which have finished area. Each dwelling has central air conditioning and a garage with 420 or 462 square feet of building area. Six comparables each have a fireplace. The comparables have improvement assessments ranging from \$65,290 to \$72,222 or from \$34.88 to \$37.11 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 22 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparable #9 which lacks central air conditioning, a feature of the subject. The Board gives reduced to appellant's comparable #10 which appears to be an outlier due to its lower improvement assessment when compared to the other comparables in the record. The Board gives reduced weight to board of review comparables #1, #3, #4, #5, #7, #8 and #10 which have finished basement area in comparison to the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be appellant's comparable #1 through #8, #11 and #12 as well as board of review comparables #2, #6 and #9 which are overall more similar to the subject in location, age, dwelling size and features. These comparables have improvement assessments that range from \$61,651 to \$67,301 or from \$32.89 to \$36.07 per square foot of living area. The subject's improvement assessment of \$65,446 or \$35.07 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best

comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
