

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jonathan Hutchins
DOCKET NO.: 22-01792.001-R-1
PARCEL NO.: 06-14-301-003

The parties of record before the Property Tax Appeal Board are Jonathan Hutchins, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,447
IMPR.: \$92,815
TOTAL: \$107,262

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,294 square feet of living area. The dwelling was built in 1995. Features of the home include a partially finished basement, central air conditioning, one fireplace, and a 420 square foot garage. The property has an approximately 8,533 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on twelve equity comparables that are located in the subject's assessment neighborhood code and from 0.71 of a mile to 1.13 miles from the subject property. The comparables are improved with 2-story dwellings with either 2,294 or 2,344 square feet of living area. The homes were built from 1991 to 1994. Each comparable is reported to have an unfinished basement, central air conditioning,

and a garage with either 420 or 440 square feet of building area. Eight comparables each have one fireplace. The comparables have improvement assessments that range from \$78,250 to \$84,684 or from \$33.38 to \$36.13 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$81,965 or \$35.73 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,262. The subject property has an improvement assessment of \$92,815 or \$40.46 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables that are located in the subject's assessment neighborhood code and from 0.06 of a mile to 1.02 miles from the subject property. The comparables are improved with 2-story dwellings of vinyl siding exterior construction with 2,294 square feet of living area. The homes were built from 1992 to 1994 with comparable #4 having an effective age of 1996. Each comparable has a partially finished basement, central air conditioning, one fireplace, and a garage with 420 square feet of building area. The comparables have improvement assessments that range from \$92,885 to \$96,492 or from \$40.49 to \$42.06 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seventeen equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparable #5 which are reported to lack basement finish, a feature of the subject, and/or are located over one mile from the subject, being less proximate in location to the subject than other comparables in this record.

The Board finds the best evidence of assessment equity to be the board of review's four remaining comparables which are overall more similar to the subject in location, design, age, dwelling size, and features. These most similar comparables have improvement assessments that range from \$92,885 to \$93,670 or from \$40.49 to \$40.83 per square foot of living area. The subject's improvement assessment of \$92,815 or \$40.46 per square foot of living area falls slightly below the range established by the most similar comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
