

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Minehart
DOCKET NO.: 22-01879.001-R-1
PARCEL NO.: 10-22-301-005

The parties of record before the Property Tax Appeal Board are Richard Minehart, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,632
IMPR.: \$163,817
TOTAL: \$202,449

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and stucco exterior construction¹ with 3,750 square feet of living area. The dwelling was constructed in 2008. Features of the home include a walkout basement with finished area, central air conditioning, three fireplaces, and a 756 square foot garage. The property has an approximately 12,200 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables located within the same assessment neighborhood code. The comparables have varying degrees of similarity to the subject and have improvement assessments ranging from

\$115,109 to \$145,225 or from \$36.67 to \$42.45 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$202,449. The subject property has an improvement assessment of \$163,817 or \$43.68 per square foot of living area. Also, as part of the "Board of Review Notes on Appeal," the board of review reported that 2019 was the first year of the general assessment cycle for the subject property and that for tax year 2022 an equalization factor of 1.0363 was applied to non-farm properties in Fremont Township.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject. The comparables have varying degrees of similarity to the subject and have improvement assessments ranging from \$158,138 to \$195,509 or from \$41.55 to \$50.12 per square foot of living area.

The board of review also submitted a brief contending the subject property is an owner-occupied residence that was the subject of an appeal before the Board for the 2020 tax year as Docket No. 20-00756, in which the Board lowered the subject's assessment to \$189,981 pursuant to the agreement of the parties. The board of review stated the subject's assessment reflects the 2020 assessment plus equalization factors of 1.0283 and 1.0363 for 2021 and 2022, respectively. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) no reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2020 tax year under Docket No. 20-00756, in which a decision was issued based upon the agreement of the parties reducing the subject's assessment to \$189,981. The record further disclosed the subject property is an owner-occupied dwelling. The Board also finds that the 2020 to 2022 tax years are within the same general assessment period, an equalization factor of 1.0283 was applied in Fremont Township for 2021, and an equalization factor of 1.0363 was applied in Fremont Township in 2022. Furthermore, the decision of the Property Tax Appeal Board for the 2020 tax year has not been reversed or modified upon review and there was no evidence the subject property recently sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in a reduced total assessment of \$202,449, which is equal to the 2022 assessment of the subject property of \$202,449.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
