

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Srirama Krishna Reddy
DOCKET NO.: 22-01885.001-R-1
PARCEL NO.: 11-02-201-090

The parties of record before the Property Tax Appeal Board are Srirama Krishna Reddy, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$50,987
IMPR.: \$97,534
TOTAL: \$148,521

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,464 square feet of living area. The dwelling was constructed in 1998. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 396 square foot garage. The property has an approximately 11,578 square foot site and is located in Waukegan, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located in the same assessment neighborhood code as the subject and within .20 of a mile from the subject property. The comparables have sites that range in size from 10,210 to 10,884 square feet of land area. The comparables are improved with 2-story dwellings of frame or brick and frame exterior construction that range in size from 2,464 to 2,805 square feet of living area that that were built in either 1998 or 1999. The appellant reported that each comparable has an unfinished basement,

central air conditioning, one fireplace and a garage ranging in size from 395 to 440 square feet of building area. The comparables sold from January to April 2021 for prices ranging from \$422,000 to \$490,000 or from \$161.69 to \$182.04 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$148,521. The subject's assessment reflects a market value of \$445,608 or \$180.85 per square foot of living area, land included, when using the 2022 three-year average median level of assessment for Lake County of 33.33% as determined by the Illinois Department of Revenue.¹

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales. Comparables #2 and #3 are the same properties as the appellant's comparables #2 and #4. The comparables are located in the same assessment neighborhood code as the subject and within .19 of a mile from the subject property. The comparables have sites that range in size from 10,096 to 10,691 square feet of land area. The comparables are improved with a 2-story dwelling of frame or brick and frame exterior construction ranging in size from 2,441 to 2,472 square feet of living area that were built from 1997 to 1999. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage containing either 395 or 432 square feet of building area. The comparable sold from September 2020 to May 2021 for prices ranging from \$415,000 to \$552,000 or from \$168.43 to \$226.14 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, with two comparables being common to both parties. The Board has given less weight to appellant's comparables #1 and #3 due to their larger dwelling size when compared to the subject. The Board gave reduced weight to board of review's comparable #1, due to its sale date occurring in 2020, less proximate in time to the January 1, 2022, assessment date than other comparables in the record.

The Board finds the best evidence of market value to be the common comparables as well as the board of review's comparables #4 and #5. The Board finds that these comparables sold more

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). proximate in time and are relatively similar to the subject in location, design, age, dwelling size, and features. The comparables sold from January 2021 to May 2022 for prices ranging from \$422,000 to \$552,000 or from \$171.27 to \$226.14 per square foot of living area, including land. The subject's assessment reflects a market value of \$445,608 or \$180.85 per square foot of living area, including land, which falls within the range of the best comparable sales in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
