

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arun Mathew
DOCKET NO.: 22-01925.001-R-1
PARCEL NO.: 11-20-301-012

The parties of record before the Property Tax Appeal Board are Arun Mathew, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,263
IMPR.: \$113,501
TOTAL: \$169,764

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling built in 1967. The property has a 14,268 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends assessment inequity concerning the land as the basis of the appeal. In support of this argument the appellant submitted information on 12 equity comparables located within .02 of a mile of the subject and within the subject's assessment neighborhood. The comparables are improved with one-story, two-story, or split-level dwellings built from 1961 to 1989. The comparables have sites ranging in size from 13,829 to 16,308 square feet of land area. The comparables have land assessments ranging from \$45,009 to \$56,263 or from \$2.76 to \$3.66 per square foot of land area. Based on this evidence, the appellant requested the subject's land assessment be reduced to \$50,937 or \$3.57 per square foot of land area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$169,764. The subject property has a land assessment of \$56,263 or \$3.94 per square foot of land area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .07 of a mile of the subject and within the subject's assessment neighborhood. The comparables are improved with two-story dwellings built from 1965 to 1972. The comparables have sites ranging in size from 11,267 to 14,844 square feet of land area. The comparables have land assessments of \$56,263 or from \$3.79 to \$4.99 per square foot of land area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 17 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board finds the comparables are similar to the subject in location and parcel size. These comparables have land assessments that range from \$45,009 to \$56,263 or from \$2.76 to \$4.99 per square foot of land area. The subject's land assessment of \$56,263 or \$3.94 per square foot of land area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's land was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
