

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Wascow
DOCKET NO.: 22-01940.001-R-1
PARCEL NO.: 11-29-401-006

The parties of record before the Property Tax Appeal Board are Joseph Wascow, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,638
IMPR.: \$134,578
TOTAL: \$200,216

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,469 square feet of living area. The dwelling was constructed in 2002. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 769 square foot garage. The property has an approximately 15,121 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends assessment inequity concerning the land assessment as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the same assessment neighborhood code as the subject and within 0.08 of a mile from the subject. The comparables have improved sites ranging in size from 15,180 to 15,835 square feet of land area and have land assessments of \$50,227 and \$57,761 or

from \$3.17 to \$3.81 per square foot of land area. Based on this evidence, the appellant requested a reduction in the subject's land assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$200,216. The subject property has an improvement assessment of \$65,638 or \$4.34 per square foot of land area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the same assessment neighborhood code as the subject and within 0.08 of a mile from the subject. The comparables have improved sites ranging in size from 12,045 to 14,110 square feet of land area and have land assessments of \$65,638 or from \$4.65 to \$5.45 per square foot of land area. The board of review noted the subject and the board of review's comparables are located on a golf course. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six equity comparables for the Board's consideration, which are similar to the subject in location and site size. The board of review contended the board of review's comparables are located on a golf course like the subject, but neither party disclosed whether the appellant's comparables are located on a golf course. The comparables have land assessments that range from \$50,227 to \$65,638 or from \$3.17 to \$5.45 per square foot of land area. The subject's land assessment of \$65,638 or \$4.34 per square foot of living area falls within the range established by the comparables in this record. Based on this record, and after considering appropriate adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's land was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
