

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christine Lam
DOCKET NO.: 22-01944.001-R-1
PARCEL NO.: 11-32-212-004

The parties of record before the Property Tax Appeal Board are Christine Lam, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$51,038
IMPR.: \$108,549
TOTAL: \$159,587

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 14,406 square foot site that is improved with a dwelling containing 3,081 square feet of living area. The property is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends assessment inequity concerning the land assessment as the basis of the appeal. In support of this argument the appellant submitted information on twelve equity comparables located within the same assessment neighborhood code as the subject. The comparables have improved sites ranging in size from 13,697 to 14,662 square feet of land area and have land assessments ranging from \$42,260 to \$53,998 or from \$2.98 to \$3.71 per square foot of land area. Based on this evidence, the appellant requested a reduction in the subject's land assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,587. The subject property has a land assessment of \$51,038 or \$3.54 per square foot of land area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the same assessment neighborhood code as the subject. The comparables have improved sites ranging in size from 13,290 to 14,550 square feet of land area and have land assessments ranging from \$46,954 to \$58,694 or from \$3.53 to \$4.08 per square foot of land area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of fifteen equity comparables for the Board's consideration, which are similar to the subject in site size and location. The comparables have land assessments that range from \$42,260 to \$58,694 or from \$2.98 to \$4.08 per square foot of land area. The subject's land assessment of \$51,038 or \$3.54 per square foot of land area falls within the range established by the comparables in this record. Based on this record and after considering appropriate adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's land was inequitably assessed and a reduction in the subject's land assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
