

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barb Basgall  
DOCKET NO.: 22-01963.001-R-2  
PARCEL NO.: 12-28-203-006

The parties of record before the Property Tax Appeal Board are Barb Basgall, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$129,685  
**IMPR.:** \$330,377  
**TOTAL:** \$460,062

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction<sup>1</sup> with 3,800 square feet of living area. The dwelling was constructed in 1964 and has an effective age of 1985. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 672 square foot garage. The property has an approximately 25,152 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 0.27 to 1.59 miles from the subject. The parcels range in size from 13,552 to 17,772 square feet of land area and are improved with 2-story homes ranging in size from 3,164 to 3,424 square feet of living area. The

dwellings were built from 1955 to 1998 with comparable #1 having an effective age of 1969. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 484 to 600 square feet of building area. The comparables sold from August 2020 to April 2022 for prices ranging from \$782,500 to \$1,020,000 or from \$243.62 to \$297.90 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$460,062. The subject's assessment reflects a market value of \$1,380,324 or \$363.24 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.<sup>2</sup>

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.39 of a mile to 1.08 miles from the subject. The parcels range in size from 23,090 to 36,150 square feet of land area and are improved with 1.5-story or 1.75-story homes of brick or wood siding exterior construction ranging in size from 3,115 to 4,388 square feet of living area. The dwellings were built from 1955 to 1964. Each home has a basement, one of which has finished area, central air conditioning, one to four fireplaces, and a garage ranging in size from 506 to 890 square feet of building area. The comparables sold from June 2021 to December 2022 for prices ranging from \$1,500,000 to \$1,801,000 or from \$398.51 to \$532.37 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparable #3, which are located more than one mile from the subject and/or which sold less proximate in time to the assessment date.

The Board finds the best evidence of market value to be the board of review's comparables #1, #2, and #4, which sold more proximate in time to the assessment date and are relatively similar to the subject in dwelling size, location, and some features, although these comparables have older effective ages than the subject and two comparables lack finished basement area that is a feature of the subject, suggesting upward adjustments to these comparables would be needed to

<sup>2</sup> Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2022.

make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$1,500,000 to \$1,801,000 or from \$398.51 to \$532.37 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,380,324 or \$363.24 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
