

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maria San Roman
DOCKET NO.: 22-02032.001-R-1
PARCEL NO.: 09-02-306-011

The parties of record before the Property Tax Appeal Board are Maria San Roman, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,724
IMPR.: \$77,048
TOTAL: \$92,772

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling with vinyl siding exterior construction with 2,854 square feet of living area. The dwelling was built in 2011. Features of the home include an unfinished basement, central air conditioning, and a 506 square foot garage. The property has an approximately 6,770 square foot site and is located in Volo, Wauconda Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted a grid analysis with information on five comparable sales located within 0.31 of a mile from the subject property. The comparables have sites ranging in size from 6,669 to 10,550 square feet of land area and are improved with 2-story dwellings that range in size from 2,480 to 2,883 square feet of living area. The dwellings were built from 2007 to 2012. Each comparable has an unfinished basement, central air conditioning, and a garage with either 400 or

506 square feet of building area. One comparable has a fireplace. The comparables sold from May 2020 to June 2022 for prices ranging from \$238,000 to \$340,000 or from \$83.39 to \$137.10 per square foot of living area, including land.

The appellant also submitted a copy of the Multiple Listing Service (MLS) sheet for its comparable #5 which depicted the property was a "Rehab in 2021." Based on this evidence, the appellant requested the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$92,772. The subject's assessment reflects a market value of \$278,344 or \$97.53 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.25 of a mile from the subject property. The comparables have sites that range in size from 6,380 to 7,500 square feet of land area and are improved with 2-story dwellings of vinyl siding exterior construction each with 2,854 square feet of living area and built in 2011 or 2013. Two comparables have a basement, with one having finished area and one comparable has a concrete slab foundation. Each dwelling has central air conditioning and a 506 square foot garage. The properties sold from November 2021 to December 2022 for prices ranging from \$347,000 to \$362,500 or from \$121.58 to \$127.01 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #1 and #3 which sold in 2020, less proximate to the lien date at issue than other properties in the record. The Board gives less weight to appellant comparable #2 and board of review comparables #2 and #3 which differ from the subject in garage size, foundation type and/or basement finish.

The Board finds the best evidence of market value to be appellant comparables #4 and #5 along with board of review comparable #1 which are identical or nearly identical to the subject in location, age, dwelling size and other features. These comparables sold from May to November

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for tax year 2022.

2021 for prices ranging from \$300,000 to \$362,500 or from \$105.12 to \$127.01 per square foot of living area, including land. The subject's assessment reflects a market value of \$278,344 or \$97.53 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
