

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Giuliano Lopez  
DOCKET NO.: 22-02378.001-R-1  
PARCEL NO.: 06-28-125-010

The parties of record before the Property Tax Appeal Board are Giuliano Lopez, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,385  
**IMPR.:** \$37,069  
**TOTAL:** \$42,454

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 1,179 square feet of living area. The dwelling was constructed in 1944 and has an effective age of 1962. Features of the home include a crawl-space foundation and a fully finished attic. The property has a 4,790 square foot site and is located in Round Lake Park, Avon Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located within the subject's assessment neighborhood. The comparables consist of one-story dwellings of vinyl siding exterior construction ranging in size from 1,095 to 1,165 square feet of living area. The homes were built from 1947 to 1949. Each dwelling has a crawl-space foundation and one comparable has a garage containing 360 square feet of building area.

The comparables have improvement assessments ranging from \$29,999 to \$31,503 or from \$26.71 to \$28.77 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$32,351 or \$27.44 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$42,454. The subject property has an improvement assessment of \$37,069 or \$31.44 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on ten equity comparables located within the subject's assessment neighborhood. The comparables consist of one-story dwellings of vinyl siding exterior construction ranging in size from 1,008 to 1,276 square feet of living area. The homes were built from 1930 to 1962, with effective ages ranging from 1964 to 1990. Each dwelling has a crawl-space foundation. Six dwellings have central air conditioning, two comparables each have a fireplace, and nine comparables each have a garage ranging in size from 360 to 750 square feet of building area. Nine comparables each have an attic, with eight being fully finished. The comparables have improvement assessments ranging from \$39,593 to \$50,199 or from \$35.28 to \$42.24 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 13 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables, as well as board of review comparables #1, #5, #8, and #10, which differ from the subject in effective age and/or lack finished attic space, a feature of the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #2, #3, #4, #6, #7, and #9, which are similar to the subject in age/effective age, dwelling size, and some features, noting that each of these comparables has a garage suggesting downward adjustments would be appropriate in order to make them more equivalent to the subject. These comparables have improvement assessments that range from \$40,321 to \$46,723 or from \$35.28 to \$40.74 per square foot of living area. The subject's improvement assessment of \$37,069 or \$31.44 per square foot of living area falls below the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
