

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jandrija Bursac
DOCKET NO.: 22-02429.001-R-1
PARCEL NO.: 11-08-405-004

The parties of record before the Property Tax Appeal Board are Jandrija Bursac, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,929
IMPR.: \$71,023
TOTAL: \$112,952

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 1,711 square feet of living area. The dwelling was constructed in 1950 and has an effective age of 1973. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 736 square feet of building area. The property has a 34,710 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within .13 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of frame or brick exterior construction ranging in size from 1,716 to 1,816 square feet of living area. The homes were built from 1948 to 1954. Each dwelling has an unfinished basement and a garage ranging in size from 242 to 1,224 square feet of building area. Two comparables have central air conditioning and

three comparables each have a fireplace. The comparables have improvement assessments ranging from \$56,118 to \$68,948 or from \$32.70 to \$37.97 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$60,046 or \$35.09 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$112,952. The subject property has an improvement assessment of \$71,023 or \$41.51 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within .18 of a mile of the subject and within the subject's assessment neighborhood. Comparable #1 is the same property as appellant comparable #4. The comparables consist of one-story dwellings of frame or brick exterior construction ranging in size from 1,683 to 1,961 square feet of living area. The homes were built from 1949 to 1986, with comparable #2 having an effective age of 1968. Each dwelling has an unfinished basement and an attached or detached garage ranging in size from 420 to 776. Three comparables have central air conditioning and two comparables each have a fireplace. Comparable #1 has an additional detached garage. The comparables have improvement assessments ranging from \$68,948 to \$87,943 or from \$37.97 to \$45.67 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant critiqued the board of review's comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board finds the parties' comparables are not truly similar to the subject due to differences in age/effective age and/or features. Nevertheless, the Board has given reduced weight to the appellant's comparables #2 and #4/board of review comparable #1, which lack central air conditioning, a feature of the subject. The board also gives reduced weight to board of review comparables #3 and #4 due to their newer dwellings in relation to the subject.

The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #3 along with board of review comparable #2, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments that range from \$56,118 to \$81,628 or from \$32.70 to \$43.05 per square foot of living area. The subject's improvement assessment of \$71,023 or \$41.51 per square foot of living area falls within the

range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
