

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marc & Susan Belgrad
DOCKET NO.: 22-02434.001-R-1
PARCEL NO.: 15-33-312-006

The parties of record before the Property Tax Appeal Board are Marc & Susan Belgrad, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,697
IMPR.: \$120,362
TOTAL: \$159,059

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,340 square feet of living area. The dwelling was constructed in 1987. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 420 square feet of building area. The property has a 16,685 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellants contend assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellants submitted information on eight equity comparables located within .2 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame exterior construction containing either 2,320 or 2,388 square feet of living area. The homes were each built in 1987. Each dwelling has central air conditioning, a basement with three having finished area, and a

garage containing 420 square feet of building area. Five comparables each have one or two fireplaces. The comparables have improvement assessments ranging from \$106,033 to \$117,806 or from \$44.58 to \$49.33 per square foot of living area. Based on this evidence, the appellants requested a reduced improvement assessment of \$110,160 or \$47.08 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,059. The subject property has an improvement assessment of \$120,362 or \$51.44 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within .22 of a mile of the subject and within the subject's assessment neighborhood. Comparable #4 is the same property as appellant comparable #2. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 2,260 to 2,388 square feet of living area. The homes were each built in 1987. Each dwelling has central air conditioning, a basement with four having finished area, and a garage containing either 416 or 420 square feet of building area. Four comparables each have one or two fireplaces. The comparables have improvement assessments ranging from \$116,768 to \$145,550 or from \$51.59 to \$60.95 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellants critiqued the board of review's comparables #1, #2, and #5 for having finished basements in contrast to the subject's unfinished basement.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 12 equity comparables to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board has given reduced weight to the appellants' comparables #1 through #3, including the shared comparable, and board of review comparables #1, #2, and #5, which differ from the subject in basement finish.

The Board finds the best evidence of assessment equity to be the appellants' comparables #4 through #8 along with board of review comparable #3, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments that range from \$112,303 to \$122,440 or from \$47.03 to \$52.78 per square foot of living area. The subject's improvement assessment of \$120,362 or \$51.44 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and

after considering adjustments to the best comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
