

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Martha Arias
DOCKET NO.: 22-02462.001-R-1
PARCEL NO.: 04-32-413-024

The parties of record before the Property Tax Appeal Board are Martha Arias, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,026
IMPR.: \$86,006
TOTAL: \$93,032

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,414 square feet of living area. The dwelling was constructed in 2002. Features of the home include a basement, central air conditioning, and a 682 square foot garage. The property has a 9,583 square foot site and is located in Waukegan, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.61 of a mile from the subject. The parcels range in size from 7,405 to 10,019 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,336 to 2,406 square feet of living area. The dwellings were built from 1995 to 2002. Each home has a basement, central air conditioning, and a garage ranging in size from 390 to 609 square feet of building area. Two homes each have a fireplace. The comparables sold from May 2021 to June 2022 for prices ranging from \$235,000 to \$254,900 or from \$97.67 to \$107.23 per square foot of

living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$93,032. The subject's assessment reflects a market value of \$279,124 or \$115.63 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.77 of a mile from the subject, together with a map depicting the locations of these comparables in relation to the subject. The parcels range in size from 6,970 to 13,100 square feet of land area and are improved with 2-story homes of vinyl or wood siding exterior construction ranging in size from 1,911 to 2,790 square feet of living area. The dwellings were built from 1993 to 2006. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 400 to 660 square feet of building area. The comparables sold from June 2021 to April 2022 for prices ranging from \$213,000 to \$322,000 or from \$111.46 to \$127.56 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant argued the board of review's comparables differ from the subject in dwelling size.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables #1 and #3, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the appellant's comparables and the board of review's comparables #2, #4, and #5, which sold proximate in time to the assessment date and are more similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$235,000 to \$280,000 or from \$97.67 to \$127.56 per square foot of living area, including land. The subject's assessment reflects a market value of \$279,124 or \$115.63 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code § 1910.50(c)(1). As of the development of this Final Administrative decision, the Department of Revenue has not published figures for tax year 2022.

evidence and after considering appropriate adjustments to the best comparables for differences from the subject such as dwelling size, age, and garage size, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
