

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ann-Marie Hall-Sparks
DOCKET NO.: 22-02611.001-R-1
PARCEL NO.: 05-14-301-004

The parties of record before the Property Tax Appeal Board are Ann-Marie Hall-Sparks, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Kane County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Kane** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,162
IMPR.: \$134,325
TOTAL: \$160,487

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kane County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and brick exterior construction with 2,985 square feet of living area. The dwelling was constructed in 2003. Features of the home include a walk-out style basement with finished area, central air conditioning, a fireplace, and a garage containing 792 square feet of building area. The property has a 56,628 square foot site and is located in Elgin, Plato Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within .48 of a mile of the subject and within the subject's subdivision. The comparables consist of two-story dwellings ranging in size from 2,943 to 3,266 square feet of living area. The homes were built from 2001 to 2004. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 619 to 950

square feet of building area. The comparables have improvement assessments ranging from \$109,083 to \$137,880 or from \$35.88 to \$42.48 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$111,158 or \$37.24 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$160,487. The subject property has an improvement assessment of \$134,325 or \$45.00 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within .47 of a mile of the subject and within the subject's subdivision. The comparables consist of two-story dwellings of frame and brick, frame and stone, or frame, brick, and stone exterior construction ranging in size from 2,728 to 3,208 square feet of living area. The homes were built from 2001 to 2005. Each dwelling has central air conditioning, a basement with three having finished area and one being walk-out style, and a garage ranging in size from 704 to 1,000 square feet of building area. Three comparables each have a fireplace and two comparables each have an inground swimming pool. The comparables have improvement assessments ranging from \$134,571 to \$149,715 or from \$44.57 to \$49.58 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that approximately 70% of all the comparables submitted support a reduction to the subject's assessment based on their improvement assessment per square foot.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables, which differ from the subject in basement finish. The Board also gives reduced weight to board of review comparables #2 and #4 due to their inground swimming pools, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be board of review comparables #1 and #3, which are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments of \$134,571 and \$142,974 or \$44.57 and \$46.32 per square foot of living area. The subject's improvement assessment of \$134,325 or \$45.00 per square foot of living area falls below the best comparables in this record overall and is bracketed

by the best comparables on a per-square-foot basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
