

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Petroleum Fuel & Terminal Co.
DOCKET NO.: 22-03148.001-I-1
PARCEL NO.: 01-14.0-212-002

The parties of record before the Property Tax Appeal Board are Petroleum Fuel & Terminal Co., the appellant, by attorney Robert G. Wuller of Neville Richards & Wuller, LLC in Swansea; and the St. Clair County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **St. Clair** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$266,667
IMPR.: \$20,000
TOTAL: \$286,667

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the St. Clair County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an industrial property located in East St. Louis Township, St. Clair County.

The appellant submitted evidence before the Property Tax Appeal Board claiming the market value of the subject property is not accurately reflected in its assessment. In support of the overvaluation argument, the appellant submitted an appraisal of the subject property estimating a fair market value of \$860,000 as of January 1, 2020. The appraiser developed the cost approach and the sales comparison approach to value in arriving at the final opinion of value.

The appellant also submitted a copy of the final decision issued by the St. Clair County Board of Review disclosing the subject's final equalized assessment of \$372,067. The subject's assessment reflects an estimated market value of \$1,116,313 when applying the statutory level of

assessment of 33.33%. Based on this evidence, the appellant requested the subject's assessment be reduced to reflect the appraised value.

The board of review did not timely submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a).

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The appellant in this appeal submitted an appraisal in support of the contention that the subject parcels were not accurately assessed. The board of review did not submit any evidence in support of the correct assessment of the subject property or to refute the value evidence submitted by the appellant. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a). The appraisal submitted by the appellant estimated the subject property had a market value of \$860,000 as of January 1, 2020. The Boards finds the appellant submitted the best and only evidence of the subject's fair market value contained in this record. The subject property's assessment reflects an estimated market value of \$1,116,313. The subject's assessment reflects a market value greater than the appraised value presented by the appellant. Therefore, the Board finds a reduction in the subject's assessment is warranted commensurate with the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
