

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Earl & Jillian McLaughlin
DOCKET NO.: 22-03304.001-R-1
PARCEL NO.: 19-13-178-001

The parties of record before the Property Tax Appeal Board are Earl & Jillian McLaughlin, the appellants, by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,676
IMPR.: \$55,708
TOTAL: \$84,384

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of frame construction containing 1,683 square feet of living area. The dwelling was built in 1978. Features of the home include a finished basement, central air conditioning, and a garage with 522 square feet of building area. The property has an approximately 17,115 square foot site located in Cary, Algonquin Township, McHenry County.

The taxpayers filed this appeal contending assessment inequity with respect to the improvement as the basis of the appeal and disclosed that the subject property is an owner-occupied residence. The Board takes notice that the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 21-06678.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$78,614 based on the evidence submitted by the parties. The appellants also

submitted assessment information on six equity comparables to demonstrate the subject was being inequitably assessed.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$96,416. The subject property has an improvement assessment of \$67,740 or \$40.25 per square foot of living area. The board of review further disclosed that 2019 was the first year of the General Assessment Cycle in McHenry County which runs through the 2022 tax year and that a township equalization factor of 1.0734 was applied in the 2022 tax year.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables with varying degrees of similarity to the subject. Based on the evidence submitted, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 21-06678.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$78,614 based on the evidence in the record. The issue on appeal is whether the assessment of the subject property as established by the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2022 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2021 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2021 and 2022 are within the same general assessment period in McHenry County. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that a township equalization factor of 1.0734 was applied in 2022. The Property Tax Appeal Board finds that pursuant to the mandates of section 16-185 of the Property Tax Code, a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, i.e., $\$78,614 \times 1.0734 = \$84,384$.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
