

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karolyn Zielinski
DOCKET NO.: 22-03340.001-R-1
PARCEL NO.: 18-03-252-012

The parties of record before the Property Tax Appeal Board are Karolyn Zielinski, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the McHenry County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **McHenry** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,672
IMPR.: \$174,752
TOTAL: \$201,424

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the McHenry County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and stone exterior construction with 4,158 square feet of living area. The dwelling was constructed in 2015. Features of the home include a basement, central air conditioning, a fireplace, and a three-car garage containing 870 square feet of building area. The property has a 47,045 square foot site and is located in Lakewood, Grafton Township, McHenry County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the subject's assessment neighborhood. The comparables consist of dwellings of brick or frame exterior construction ranging in size from 2,958 to 4,012 square feet of living area. The homes were built from 2004 to 2016. Each dwelling has a fireplace, a basement, and a three-car garage. The comparables sold from February to May 2021 for prices ranging from \$400,000 to \$555,000 or from \$119.19

to \$138.33 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$186,398, for an estimated market value of \$559,250 or \$134.50 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$201,424. The subject's assessment reflects a market value of \$604,332 or \$145.34 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 1.7 miles of the subject. The comparables consist of two-story dwellings of frame and brick exterior construction ranging in size from 3,461 to 4,243 square feet of living area. The dwellings were built from 2004 to 2017. Each dwelling has central air conditioning, a basement, and a two-car or three-car garage. Three comparables each have one or two fireplaces. The parcels range in size from 18,543 to 24,829 square feet of land area. The comparables sold from November 2019 to May 2022 for prices ranging from \$580,000 to \$645,000 or from \$145.74 to \$177.69 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1, #2, and #4, as well as board of review comparable #4, which differ from the subject in dwelling size. The Board also gives reduced weight to board of review comparable #1, which sold less proximate to the assessment date at issue than other sales in the record.

The Board finds the best evidence of market value to be the appellant's comparable sale #3 and board of review comparable sales #2 and #3, which sold proximate to the assessment date at issue and are similar to the subject in age and dwelling size. These comparables sold from March to October 2021 for prices ranging from \$555,000 to \$585,000 or from \$138.33 to \$150.30 per square foot of living area, including land. The subject's assessment reflects a market value of \$604,332 or \$145.34 per square foot of living area, including land, which is within the range established by the best comparable sales in this record on a per-square-foot basis. While

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2022.

the subject's estimated market value is above the range overall, the Board finds it logical given the subject's newer age and larger dwelling in relation to the best comparables. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
