

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Lane  
DOCKET NO.: 22-03404.001-R-1  
PARCEL NO.: 07-25-205-002

The parties of record before the Property Tax Appeal Board are Mike Lane, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$51,730  
**IMPR.:** \$61,850  
**TOTAL:** \$113,580

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a tri-level dwelling of frame exterior construction with 1,154 square feet of living area. The dwelling was constructed in 1959. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 2-car garage. The property has an 8,953 square foot site and is located in Naperville, Naperville Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales together with an MLS listing sheet associated with each comparable sale from which some descriptive characteristics was gleaned. The comparables are located within the same assessment neighborhood code as the subject property. The parcels range in size from 9,333 to 10,956 square feet of land area and are improved with tri-level homes of frame or frame and brick exterior construction ranging in size

from 1,236 to 1,276 square feet of above-ground living area. Each comparable is reported to have a basement with finished area, central air conditioning, and either a 1-car or a 2-car garage. Comparable #2 has one fireplace. The comparables sold from January to May 2021 for prices ranging from \$331,000 to \$350,000 or from \$266.46 to \$279.78 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,580. The subject's assessment reflects a market value of \$340,876 or \$295.39 per square foot of above-ground living area, land included, when using the 2022 three-year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within the same assessment neighborhood code as the subject property, along with a map depicting the locations of both parties' comparables in relation to the subject, and the property record cards for the subject and each of the parties' comparables. The comparables have parcels ranging in size from 9,834 to 11,897 square feet of land area and are improved with tri-level homes of frame exterior construction ranging in size from 1,180 to 1,278 square feet of living area. The dwellings were built in either 1959 or 1961. Each home is reported to have a basement with finished area and a 2-car garage. Three comparables each have central air conditioning and two comparables each have one fireplace. The comparables sold from February to August 2021 for prices ranging from \$380,000 to \$393,000 or from \$307.51 to \$322.03 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the board's consideration. The Board finds that each of these comparables sold proximate to the subject's January 1, 2022 assessment date at issue and are similar to the subject in location, lot size, design, age, dwelling size, and most features. The Board finds that these comparables sold for prices ranging from \$331,000 to \$393,000 or from \$266.46 to \$322.03 per square foot of living area, land included. The subject's assessment reflects a market value of \$340,876 or \$295.39 per square foot of living area, land included, which falls within the range of all comparable sales in this record. Based on the evidence in this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds that the assessment as established by the board of review is correct and, therefore, no reduction in the subject's assessment based on overvaluation is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
