

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Lane
DOCKET NO.: 22-03409.001-R-1
PARCEL NO.: 08-30-115-014

The parties of record before the Property Tax Appeal Board are Mike Lane, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$65,150
IMPR.: \$50,750
TOTAL: \$115,900

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of frame exterior construction with 1,248 square feet of living area. The dwelling was constructed in 1961. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a garage with 484 square feet of building area. The property has a 10,752 square foot site and is located in Naperville, Lisle Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales together with an MLS listing sheet associated with each comparable sale from which some descriptive characteristics were gleaned. The comparables are located within the same assessment neighborhood code as the subject property. The parcels range in size from 9,872 to 11,888 square feet of land area and are improved with split-level homes of mixed exterior construction ranging in size from 1,248 to

1,272 square feet of living area. Each comparable is reported to have a basement with finished area, central air conditioning, and a garage that ranges in size from 264 to 440 square feet of building area. Comparable #2 has one fireplace. The comparables sold in either October 2020 or June 2021 for prices ranging from \$272,000 to \$340,000 or from \$215.36 to \$272.44 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$115,900. The subject's assessment reflects a market value of \$347,839 or \$278.72 per square foot of living area, land included, when using the 2022 three-year average median level of assessment for DuPage County of 33.32% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within the same assessment neighborhood code as the subject property, along with a map depicting the locations of both parties' comparables in relation to the subject, and the property record cards for the subject and each of the board of review comparables. The comparables have parcels ranging in size from 10,380 to 11,505 square feet of land area and are improved with split-level homes of frame exterior construction ranging in size from 1,252 to 1,296 square feet of living area. The dwellings were built in either 1961 or 1962. Each home is reported to have a basement with finished area and a garage that ranges in size from 440 to 528 square feet of land area. Two comparables each have central air conditioning and one comparable has one fireplace. The comparables sold from April 2021 to March 2022 for prices ranging from \$364,900 to \$430,000 or from \$286.87 to \$343.45 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 which sold in 2020, less proximate in time to the subject's January 1, 2022 assessment date at issue than the other comparables in this record. The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review comparables which sold proximate in time to the subject's assessment date and are similar to the subject in location, lot size, design, age, dwelling size, and some features. The Board finds that these comparables sold for prices ranging from \$340,000 to \$430,000 or from \$272.44 to \$343.45 per square foot of living area, land included. The subject's assessment reflects a market value of \$347,839 or \$278.72 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment based on overvaluation is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
