

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Rossi  
DOCKET NO.: 22-03412.001-R-1  
PARCEL NO.: 03-17-302-014

The parties of record before the Property Tax Appeal Board are Robert Rossi, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$71,620  
**IMPR.:** \$149,700  
**TOTAL:** \$221,320

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 4,128 square feet of living area. The dwelling was constructed in 1989. Features of the home include an unfinished basement, central air conditioning, three fireplaces, and a garage containing 906 square feet of building area. The property has an 18,120 square foot site and is located in Addison, Addison Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .8 of a mile of the subject, one of which is in the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or brick and frame exterior construction ranging in size from 3,627 to 4,388 square feet of living area. The homes were built from 1989 to 1994. Each dwelling has

central air conditioning, a fireplace, a basement with finished area,<sup>1</sup> and a garage ranging in size from 484 to 924 square feet of building area. The parcels range in size from 8,520 to 11,400 square feet of land area. The comparables sold from February to June 2021 for prices ranging from \$450,000 to \$625,000 or from \$122.35 to \$142.43 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$186,553, for an estimated market value of \$559,715 or \$135.59 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$221,320. The subject's assessment reflects a market value of \$664,026 or \$160.86 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.<sup>2</sup>

In support of its contention of the correct assessment the board of review submitted information on six comparable sales located within .62 of a mile of the subject, four of which are in the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or brick and frame exterior construction ranging in size from 2,840 to 4,021 square feet of living area. The dwellings were built from 1988 to 2000. Each dwelling has central air conditioning, a basement with two having finished area, and a garage ranging in size from 484 to 897 square feet of building area. Five comparables each have a fireplace. Comparable #1 has an inground swimming pool. The parcels range in size from 8,568 to 13,534 square feet of land area. The comparables sold from December 2020 to November 2022 for prices ranging from \$421,750 to \$680,000 or from \$135.52 to \$188.63 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to board of review comparables #1 through #5, which differ from the subject in dwelling size and/or inground pool feature.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review comparable sale #6, which are similar to the subject in dwelling size, location, and some features. These most similar comparables sold for prices ranging from \$450,000 to \$680,000 or from \$122.35 to \$169.11 per square foot of living area, including land. The

<sup>2</sup> Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2022.

subject's assessment reflects a market value of \$664,026 or \$160.86 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
